Dear [redacted]

The Department of Social Services conducted an audit of your costs for the six months ended April 30, 1993 (audit #94-E04-1225). This audit resulted in downward adjustments of your November 1, 1992 through December 31, 1993 rates.

Previously issued Notice(s) of Rate Changes have addressed overpayments through March 31, 2009. However, the facility received new rates effective January 1, 2006 and forward based on appeal #803602 which resulted in a new base period. Consequently, the six month base period ended April 30, 1993 operating adjustments do not apply to the period January 1, 2006 through March 31, 2009. This revised report reflects the elimination of any overpayment associated with that period. Consequently, the OMIG is revising the previously issued January 1, 2005 through March 31, 2009 Notice of Rate Changes as shown below. The revised overpayments for each individual audit are also shown.
