Re: Final Audit Report
County Demonstration Project
Westchester County
Audit #: 11-2997
Provider ID #: [redacted]

Dear [redacted]:

This letter will serve as our final audit report of the recently completed review of payments made to Mayoor Transportation, Inc. (the Provider) under the New York State Medicaid Program.

The New York State Department of Health (DOH) is responsible for the administration of the Medicaid program. As part of this responsibility, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth by the Departments of Health and Mental Hygiene [Titles 10, 14 and 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (10 NYCRR, 14 NYCRR, 18 NYCRR)] and the Medicaid Management Information System (MMIS) Provider Manuals.

Medicaid reimbursement in New York State is available to lawfully authorized ambulance, ambulette and taxi providers for transportation services furnished to Medicaid eligible persons going to or from the site of Medicaid covered medical services. Other carriers are specifically approved to transport Medicaid recipients to and from prescribed day treatment services. Transportation providers and their drivers must comply with all applicable state, county and municipal requirements for legal operation, including those for licensing, inspection, training, staffing and equipment. Applicable regulations of the State Departments of Transportation, Health and Motor Vehicles are referenced in the Department's governing regulation, Title 18 NYCRR Section 505.10.

A common requirement for all Medicaid transportation providers is the need to obtain prior authorization for all non-emergency services that are provided. Once authorized, a service must be rendered to receive reimbursement. Each billing claim for service submitted for Medicaid payment must conform to the billing requirements contained in the MMIS Provider Manual for Transportation and rate schedules issued by county social service districts as part of their local transportation plans.

A review of payments to the Provider for transportation services paid by Medicaid for Westchester County recipients from January 1, 2007, through December 31, 2009, was recently completed. During the audit period, $992,553.50 was paid for 20,409 services rendered to 916 recipients. This review consisted of a random sample of 100 services involving 62 recipients with Medicaid payments of $4,953. The purpose of this audit was to verify that: drivers and/or vehicles were properly licensed, certified and/or registered; prior authorizations were obtained; all billing and rate requirements were met; Medicaid reimbursable services were rendered for the dates billed; appropriate procedure codes were billed for services rendered; vendor records contained the documentation required by the regulations; and claims for payment were submitted in accordance with Department regulations and the Provider Manuals for Transportation.

The Provider's failure to comply with Title(s) 10, 14 and/or 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (NYCRR) and the MMIS Provider Manual for Transportation resulted in a total sample overpayment of $4,837.

The statistical sampling methodology employed allows for extrapolation of the sample findings to the universe of cases (18 NYCRR Section 519.18). The mean per unit point estimate of the amount overpaid is $938,923. The lower confidence limit of the amount overpaid is $898,288. We are 95% certain that the actual amount of the overpayment is greater than the lower confidence limit (Exhibit I).

The following detailed findings reflect the results of our audit. This audit report incorporates consideration of any additional documentation and information presented in response to the draft audit report dated September 22, 2015.

DETAILED FINDINGS

In addition to any specific detailed findings, rules and/or regulations which may be listed below, the following regulations pertain to all audits:

Regulations state: "By enrolling the provider agrees: (a) to prepare and to maintain contemporaneous records demonstrating its right to receive payment . . . and to keep for a period of six years from the date the care, services or supplies were furnished, all records necessary to disclose the nature and extent of services furnished and all information regarding claims for payment submitted by, or on behalf of, the provider . . . (e) to submit claims for payment only for services actually furnished and which were medically necessary or otherwise authorized under the Social Services Law when furnished and which were provided to eligible persons; (f) to submit claims on officially authorized claim forms in the manner specified by the department in conformance with the standards and procedures for claims submission; . . . (h) that the information provided in relation to any claim for payment shall be true, accurate and complete; and (i) to comply with the rules, regulations and official directives of the department."

18 NYCRR Section 504.3

Regulations state: "Fee-for-service providers. (1) All providers ... must prepare and maintain contemporaneous records demonstrating their right to receive payment . . . All records necessary to disclose the nature and extent of services furnished and the medical necessity therefor ... must be kept by the provider for a period of six years from the date the care, services or supplies were furnished or billed, whichever is later. (2) All information regarding claims for payment submitted by or on behalf of the provider is subject to audit for a period of six years from the date the care, services or supplies were furnished or billed, whichever is later, and must be furnished, upon request, to the department ... for audit and review."

18 NYCRR Section 517.3(b)

Regulations require that bills for medical care, services and supplies contain patient name, case number and date of service; itemization of the volume and specific types of care, services and supplies provided; the unit price and total cost of the care, services and supplies provided; and a dated certification by the provider that the care, services and supplies itemized have been in fact furnished; that the amounts listed are in fact due and owing; that such records as are necessary to disclose fully the extent of care, services and supplies provided to individuals under the New York State Medicaid program will be kept for a period of not less than six years from the date of payment; and that the provider understands that payment and satisfaction of this claim will be from Federal, State and local public funds and that he or she may be prosecuted under applicable Federal and State laws for any false claims, statements or documents, or concealment of a material fact provided.

18 NYCRR Section 540.7(a)(1)-(3) and (8)

Regulations state: "An overpayment includes any amount not authorized to be paid under the medical assistance program, whether paid as the result of inaccurate or improper cost reporting, improper claiming, unacceptable practices, fraud, abuse or mistake."

18 NYCRR Section 518.1(c)

Regulations state: "Vendor payments for medical care and other items of medical assistance shall not be made unless such care or other items of assistance have been furnished on the basis of the appropriate authorization prescribed by the rules of the board and regulations of the department."

Regulations state: "The department may require repayment from the person submitting an incorrect or improper claim, or the person causing such claim to be submitted, or the person receiving payment for the claim."

18 NYCRR Section 518.3(a)

Regulations state: "The department may require repayment for inappropriate, improper, unnecessary or excessive care, services or supplies from the person furnishing them, or the person under whose supervision they were furnished, or the person causing them to be furnished...."

18 NYCRR Section 518.3(b)

Regulations state: "Medical care, services or supplies ordered or prescribed will be considered excessive or not medically necessary unless the medical basis and specific need for them are fully and properly documented in the client's medical record."

18 NYCRR Section 518.3(b)

1. **Missing/Inaccurate Information on Medicaid Claim**

Regulations state: "By enrolling the provider agrees.... to submit claims on officially authorized claim forms in the manner specified by the department in conformance with the standards and procedures for claims submission" and "that the information provided in relation to any claim for payment shall be true, accurate and complete".

- Include the **license plate number** of the vehicle used to transport the Medicaid client on their claim.

If a different driver and/or vehicle returns the Medicaid enrollee/s from the medical appointment, the license number of the driver and vehicle used for the origination of the trip should be reported on the claim."

In 49 instances pertaining to 32 recipients, the claim contained inaccurate information in driver's license number field. This resulted in a sample overpayment of $2,364 (Exhibit III).

Total sample overpayments for this audit amounts to $4,837.

Additional reasons for disallowance exist regarding certain findings. These findings are identified in Exhibit IV.

In accordance with 18 NYCRR Part 518 which regulates the collection of overpayments, your repayment options are described below. If you decide to repay the lower confidence limit amount of $898,288, one of the following repayment options must be selected within 20 days from the date of this letter:

OPTION #1: Make full payment by check or money order within 20 days of the date of the final audit report. The check should be made payable to the New York State Department of Health and be sent with the attached Remittance Advice to:

New York State Department of Health
Medicaid Financial Management, B.A.M.
GNARESP Corning Tower, Room 2739
File #: 11-2997
Albany, New York 12237-0048

OPTION #2: Enter into a repayment agreement with the Office of the Medicaid Inspector General. If your repayment terms exceed 90 days from the date of the final audit report, recoveries of amounts due are subject to interest charges at the prime rate plus 2%. If the process of establishing the repayment agreement exceeds 20 days from the date of the final audit report, the OMIG will impose a 50% withhold after 20 days until the agreement is established. OMIG acceptance of the repayment agreement is based on your repaying the Medicaid overpayment as agreed. The OMIG will adjust the rate of recovery, or require payment in full, if your unpaid balance is not being repaid as agreed. In addition, if you receive an adjustment in your favor while you owe funds to the State, such adjustment will be applied against any amount owed. If you wish to enter into a repayment agreement, please contact the Bureau of Collections Management within 20 days at the following:

If you choose not to settle this audit through repayment of the lower confidence limit, you have the right to challenge these findings by requesting an administrative hearing where the OMIG would seek and defend the meanpoint estimate of $938,923. As allowed by state regulations, you must make your request for a hearing, in writing, within sixty (60) days of the date of this report to:

General Counsel
Office of Counsel
New York State Office of the Medicaid Inspector General

Questions regarding the request for a hearing should be directed to Office of Counsel, at [redacted].

Issues you may raise shall be limited to those issues relating to determinations contained in the final audit report. Your hearing request may not address issues regarding the methodology used to determine the rate, or any issue that was raised at a proceeding to appeal a rate determination.

At the hearing you have the right to:

a) be represented by an attorney or other representative, or to represent yourself;
b) present witnesses and written and/or oral evidence to explain why the action taken is wrong; and
c) cross examine witnesses of the Department of Health and/or the OMIG.
