Re: MDS Final Audit Report  
Audit #: 13-4275  
Provider ID#: [REDACTED]

Dear [REDACTED]

This is the final audit report of findings with regard to the Office of the Medicaid Inspector General's (OMIG) Minimum Data Set (MDS) audit of Greenfield Health and Rehab Center for the census period ending July 25, 2012. In accordance with 18 NYCRR §517.6, this final audit report represents the OMIG's final determination on issues found during OMIG's review.

Since you did not respond to our draft audit report dated April 5, 2016, the findings in the final audit report remain identical to the draft audit report.

The Medicaid overpayment of \$8,117.67 was calculated using the number of Medicaid days paid for the rate period January 1, 2013 through June 30, 2013 and the change in the direct component of your Medicaid rate as calculated by the Department of Health's Bureau of Long Term Care Reimbursement (BLTCR). The calculation of this overpayment is detailed in Attachment A. BLTCR will adjust your Medicaid rates for the relevant rate period to reflect the change in the direct component. The findings explanation, regulatory references, and applicable adjustment can be found in the attachments following Attachment A.

You have the right to challenge this action and determination by requesting an administrative hearing within sixty (60) days of the date of this notice. In accordance with 18 NYCRR §519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action." You may only request a hearing to challenge specific audit adjustments which you challenged in a response to the draft audit report.

If you wish to request a hearing, the request must be submitted in writing to:
