Dear [REDACTED]:

The New York State Department of Health (DOH) has previously identified your organization as being subject to an adjustment to your NYS Medicaid EHR incentive payment(s) as a result of updated guidance.

For additional information on the updated guidance, please see the Amendment to Hospital Incentive Payment Calculation <https://www.emedny.org/meipass/archive/AmendedHospitalCalculation-20120308.pdf>.

Your agreement to the overpayment amount of \$450,255.70 has been established by your adjustment attestation, signed August 13, 2015, for the NYS Medicaid EHR Incentive Program. As a result, The New York State Office of The Medicaid Inspector General (OMIG) is providing you with repayment instructions.

See the following repayment instructions:

**OPTION #1:** Make full payment by check or money order within 20 days of the date of this letter. The check should be made payable to the New York State Department of Health and be sent with the attached Remittance Advice to:

[REDACTED]  
Bureau of Collections Management  
New York State Office of the Medicaid Inspector General  
800 North Pearl Street  
Albany, New York 12204  
[REDACTED]

**OPTION #2:** Enter into a repayment agreement with the Office of the Medicaid Inspector General. If your repayment terms exceed 365 days from the date of this Letter, recoveries of amounts due are subject to interest charges at the prime rate plus 2%. OMIG acceptance of the repayment agreement is based on your repaying the Medicaid overpayment as agreed. If you wish to enter into a repayment agreement, please contact the Bureau of Collections Management within 20 days at the following:

## New York Medicaid Incentive Payment Attestation

This is to certify that the foregoing information is true, accurate, and complete. I understand that Medicaid EHR incentive payments submitted under this provider number will be from Federal funds, that by filing this registration I am submitting a claim for federal funds, and that the use of any false claims, statements, or documents, or the concealment of a material fact used to obtain a Medicaid EHR Incentive Program payment, may be prosecuted under Federal and State laws and may also be subject to civil penalties.

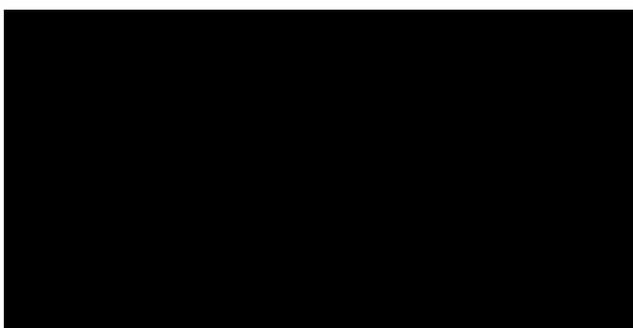

I hereby agree to keep such records as are necessary to demonstrate that I met all Medicaid EHR Incentive Program requirements and to furnish those records to the New York State Department of Health (DOH), Department of Health and Human Services, or contractor acting on their behalf.

No Medicaid EHR Incentive Program payment may be paid unless this registration form is completed and accepted as required by existing law and regulations (42 CFR 495.10)

**ROUTINE USE(S):** Information from this Medicaid EHR Incentive Program registration form and subsequently submitted information and documents may be given to the Internal Revenue Service, private collection agencies, and consumer reporting agencies in connection with recoupment of any overpayment made. Appropriate disclosures may be made to other federal, state, local, private business entities, and individual providers of care, on matters relating to entitlement, fraud, program abuse, program integrity, and civil and criminal litigation related to the operation of the Medicaid EHR Incentive Program.

**DISCLOSURES:** Voluntary; however, failure to provide information will result in delay in payment or may result in denial of EHR incentive payment. With the one exception listed below, there are no penalties under this program for refusing to supply information. However, failure to furnish information on this registration form will prevent the EHR incentive payment from being issued. Failure to furnish subsequently requested information or documents will result in the issuance of an overpayment demand letter followed by recoupment procedures.

It is mandatory that you tell DOH if you believe that you have been overpaid under the Medicaid EHR Incentive Program. The Patient Protection and Affordable Care Act, Section 6402, Section 1128J, provides penalties for withholding this information.
