Re: Final Audit Report
Audit # 15-5840
Provider # [REDACTED]

Dear [REDACTED]

The New York State Office of the Medicaid Inspector General (OMIG) has identified instances where HIP/Westchester (Plan) received monthly Medicaid and/or Family Health Plus capitation payments in months when the enrollee was deceased. In accordance with the Medicaid Managed Care/Family Health Plus/HIV Special Needs Plan Model Contract (Contract) and Section 517.6 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (NYCRR), this report represents the final determination on the issues found during the OMIG's review.

BACKGROUND

The New York State Department of Health (Department) is the state agency responsible for the administration of the Medicaid program. As part of its responsibility as an entity within the Department, the OMIG conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of the Department (Titles 10 and 18 of the NYCRR), the regulations of the Office of Mental Health (Title 14 of the NYCRR) and the Department's Medicaid Provider Manuals, *Medicaid Update* publications and the Contract.

PURPOSE AND SCOPE

The purpose of this audit was to identify instances where the Plan received a capitation payment subsequent to the enrollee's month of death. These cases were identified by a computerized match comparing Medicaid and Family Health Plus managed care enrollees to New York State and New York City Vital Statistic death record information. The review includes all dates of death reported through December 31, 2014 to Vital Statistics.

In accordance with 18 NYCRR Parts 517 and 518 and pursuant to the Contract, Section 3.6 (Compensation – State Department of Health Right to Recover Premiums) Section 19.7 (OMIG Audit Authority) and Appendix H, the OMIG, on behalf of the Department, has the right to recover premiums paid to the Plan for enrollees listed on the monthly roster who are later determined to have been ineligible for the entire applicable payment month.

FINDINGS

A Draft Audit Report was issued on December 1, 2015 identifying \$55,465.66 in overpaid capitation payments made to the Plan for periods subsequent to the enrollee's month of death. During the audit process a rate adjustment of \$379.90 occurred decreasing the overpayment to \$55,085.76. In response to the Draft Audit Report, the Plan submitted documentation contesting a portion of the claims (Attachment I). Upon reviewing the documentation, OMIG has considered the disputes, however no changes have been made. Therefore, the findings of the Final Audit Report remain unchanged from those cited in the Draft Audit Report. As stated in the Contract, specifically Section 3.6, Appendix H of the Contract and 18 NYCRR Parts 517 and 518, the OMIG, on behalf of the Department, has a right to recover such overpayments paid to the Plan for enrollees listed on the monthly roster.

The total amount of overpayment, as defined in 18 NYCRR 518.1(c), is \$55,085.76. Subsequent to the issuance of the Draft Audit Report, the Plan submitted claim voids in the amount of \$55,085.76. Therefore, there is no balance due the New York State Department of Health (Attachment II).

PROVIDER RIGHTS

The Plan has the right to challenge this action and determination by requesting an administrative hearing within sixty (60) days of the date of this notice. In accordance with 18 NYCRR Section 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action."

If the Plan wishes to request a hearing, the request must be submitted in writing to:

General Counsel
Office of Counsel
New York State Office of the Medicaid Inspector General
800 North Pearl Street
Albany, New York 12204

Questions regarding the request for a hearing should be directed to the Office of Counsel, at [REDACTED]

If a hearing is held, the Plan may have a person represent the Plan or the Plan may represent itself. If the Plan chooses to be represented by someone other than an attorney, the Plan must supply along with the Plan's hearing request a signed authorization permitting that person to represent the Plan at the hearing; the Plan may call witnesses and present documentary evidence on the Plan's behalf.

The OMIG reserves the right to conduct further reviews of the Plan's participation in the Medicaid program, take action where appropriate, and recover any associated overpayments. Please contact [REDACTED] if you have any questions regarding the above. Thank you for your cooperation.

Sincerely
