OFFICE OF THE MEDICAID INSPECTOR GENERAL

www.omig.ny.gov

The mission of the Office of the Medicaid Inspector General (OMIG), as mandated by New York Public Health Law § 31 is to preserve the integrity of the New York State Medicaid program by preventing and detecting fraudulent, abusive and wasteful practices within the Medicaid program and recovering improperly expended Medicaid funds.

DIVISION OF MEDICAID AUDIT

The Division of Medicaid Audit professional staff conducts audits and reviews of Medicaid providers to assess compliance and program requirements and, where necessary, to recover overpayments. These activities are done to monitor the cost-effective delivery of Medicaid services for prudent stewardship of scarce dollars; to assess the required involvement of professionals in planning care to program beneficiaries; safeguard the quality of care, medical necessity and appropriateness of Medicaid services provided; and, to reduce the potential for fraud, waste and abuse.

DIVISION OF MEDICAID INVESTIGATIONS

The Division of Medicaid Investigations (DMI) investigates potential instances of fraud, waste, and abuse in the Medicaid program. DMI deters improper behavior by inserting covert and overt investigators into all aspects of the program, scrutinizing provider billing and services, and cooperating with other agencies to enhance enforcement opportunities. Disreputable providers are removed from the program or prevented from enrolling. Recipients abusing the system are not removed from this safety net, but their access to services is examined and restricted, as appropriate. DMI maximizes cost savings, recoveries, penalties, and improves the quality of care for the state's most vulnerable population.

DIVISION OF TECHNOLOGY AND BUSINESS AUTOMATION

The Division of Technology and Business Automation will continue to support the data needs for the OMIG in the form of audit and investigative support, data mining and analysis, system match and recovery, through the use of commercial data mining products and procurement of expert service consultants.

OFFICE OF COUNSEL TO THE MEDICAID INSPECTOR GENERAL

The Office of Counsel to the Medicaid Inspector General promotes the OMIG's overall statutory mission through timely, accurate and persuasive legal advocacy and counsel.

EXECUTIVE SUMMARY

BACKGROUND

Pursuant to Title XIX of the Social Security Act, the Medicaid program provides medical assistance to low-income individuals and individuals with disabilities. The federal and state governments jointly fund and administer the Medicaid program. In New York State, the Department of Health (DOH) administers the Medicaid program. As part of this responsibility, the OMIG conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are conducted to determine if the provider complied with applicable laws, regulations, rules and policies of the Medicaid program as set forth by the Departments of Health and Mental Hygiene [Titles 10, 14 and 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York] and the Medicaid Provider Manuals.

People with developmental disabilities can enjoy meaningful relationships with family, friends and other people in their lives, experience personal health and growth, live in the home of their choice and fully participate in their communities. People with developmental disabilities may have difficulty learning as quickly as others, expressing themselves clearly, or taking care of their physical needs. But it is difficult to define the limits of people with developmental disabilities; what they need most, therefore, is not only encouragement and understanding – but an opportunity to become part of the community they live in. This is where the significance of the Home and Community Based Services (HCBS) waiver has its greatest impact. In providing residential habilitation services, the HCBS waiver helps people achieve a functional connection to supports and services in the person's residence.

Outpatient services provided to persons with developmental disabilities are offered at programs licensed by the Office for People With Developmental Disabilities (OPWDD). The purpose of these programs is to offer a comprehensive system of services, which has as its primary purpose the promotion and attainment of independence, inclusion, and productivity for persons with mental retardation and developmental disabilities. These services are furnished at clinic and day treatment facilities and through a home and community based Federal waiver program. The waiver program, established under the authority of section 1915 [c] of the Social Security Act, is intended for persons with mental retardation and developmental disabilities who would otherwise need the level of care provided in an intermediate care facility. The specific standards and criteria for OPWDD services are outlined in Title 14 NYCRR Parts 635, 671, 679, and 690.

PURPOSE AND SCOPE

The purpose of this audit was to determine whether the Provider's claims for Medicaid reimbursement for OPWDD IRA residential habilitation services complied with applicable federal and state laws, regulations, rules and policies governing the New York State Medicaid Program. With respect to OPWDD IRA residential habilitation services, this audit covered services paid by Medicaid from January 1, 2009, through December 31, 2011.

SUMMARY OF FINDINGS

We inspected a random sample of 100 services with \$602,072.41 in Medicaid payments. Of the 100 services in our random sample, 12 services had at least one error and did not comply with state requirements. Of the 12 noncompliant services, none contained more than one deficiency. Specifics are as follows:

<u>Error Description</u>	<u>Number of Errors</u>
Missing IRA Residential Habilitation Monthly Summary Note	6
Missing Required Elements in the IRA Residential Habilitation Service Note	5
Improper Number of Countable Service Days (Full Month) – Supervised Individualized Residential Alternative (IRA)	1

Based on the procedures performed, the OMIG has determined the Provider was overpaid \$64,723.93 in sample overpayments with an extrapolated adjusted point estimate of \$1,992,685. The adjusted lower confidence limit of the amount overpaid is \$747,267.

INTRODUCTION

BACKGROUND

Medicaid Program

Pursuant to Title XIX of the Social Security Act, the Medicaid program provides medical assistance to low-income individuals and individuals with disabilities. The Federal and State governments jointly fund and administer the Medicaid program.

New York State's Medicaid Program

In New York State, the Department of Health (DOH) is the State agency responsible for operating the Medicaid program. Within DOH, the Office of Health Insurance Programs administers the Medicaid program. DOH uses the electronic Medicaid New York Information system (eMedNY), a computerized payment and information reporting system, to process and pay Medicaid claims, including OPWDD IRA residential habilitation services claims.

As part of this responsibility, the OMIG conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are conducted to determine if the provider complied with applicable laws, regulations, rules and policies of the Medicaid program as set forth by the Departments of Health and Mental Hygiene [Titles 10, 14 and 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York] and the Medicaid Provider Manuals.

New York State's OPWDD IRA Residential Habilitation Services Program

People with developmental disabilities can enjoy meaningful relationships with family, friends and other people in their lives, experience personal health and growth, live in the home of their choice and fully participate in their communities. People with developmental disabilities may have difficulty learning as quickly as others, expressing themselves clearly, or taking care of their physical needs. But it is difficult to define the limits of people with developmental disabilities; what they need most, therefore, is not only encouragement and understanding – but an opportunity to become part of the community they live in. This is where the significance of the Home and Community Based Services (HCBS) waiver has its greatest impact. In providing residential habilitation services, the HCBS waiver helps people achieve a functional connection to supports and services in the person's residence.

Outpatient services provided to persons with developmental disabilities are offered at programs licensed by the Office for People With Developmental Disabilities (OPWDD). The purpose of these programs is to offer a comprehensive system of services, which has as its primary purpose the promotion and attainment of independence, inclusion, and productivity for persons with mental retardation and developmental disabilities. These services are furnished at clinic and day treatment facilities and through a home and community based Federal waiver program. The waiver program, established under the authority of section 1915 [c] of the Social Security Act, is intended for persons with mental retardation and developmental disabilities who would otherwise need the level of care provided in an intermediate care facility. The specific standards and criteria for OPWDD services are outlined in Title 14 NYCRR Parts 635, 671, 679, and 690.

PURPOSE, SCOPE, AND METHODOLOGY

Purpose

The purpose of this audit was to determine whether the Provider's claims for Medicaid reimbursement for OPWDD IRA residential habilitation services complied with applicable Federal and State laws, regulations, rules and policies governing the New York State Medicaid Program and to verify that:

- Medicaid reimbursable services were rendered for the dates billed;
- appropriate rate or procedure codes were billed for services rendered;
- patient related records contained the documentation required by the regulations; and,
- claims for payment were submitted in accordance with DOH regulations and the appropriate Provider Manuals.

Scope

Our audit period covered payments to the Provider for OPWDD IRA residential habilitation services paid by Medicaid from January 1, 2009, through December 31, 2011. Our audit universe consisted of 5,813 claims totaling \$34,902,934.45.

During our audit, we did not review the overall internal control structure of the Provider. Rather, we limited our internal control review to the objective of our audit.

Methodology

To accomplish our objective, we:

- reviewed applicable federal and state laws, regulations, rules and policies;
- held discussions with the Provider's management personnel to gain an understanding of the OPWDD IRA residential habilitation services program;
- ran computer programming application of claims in our data warehouse that identified 5,813 paid OPWDD IRA residential habilitation services claims, totaling \$34,902,934.45;
- selected a random sample of 100 services from the population of 5,813 services; and,
- estimated the overpayment paid in the population of 5,813 services.

For each sample selection we inspected, as available, the following:

- Medicaid electronic claim information
- Patient record, including, but not limited to:
 - Diagnosis of Developmental Disability,
 - Individualized Service Plans,
 - Residential Habilitation Plans,
 - Residential Habilitation Service Notes, and
 - Staff Payroll Documentation

- Any additional documentation deemed by the Provider necessary to substantiate the Medicaid paid claim

LAWS, REGULATIONS, RULES AND POLICIES

The following are applicable Laws, Regulations, Rules and Policies of the Medicaid program referenced when conducting this audit:

- Departments of Health and Mental Hygiene [Titles 10, 14, and 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (10 NYCRR, 14 NYCRR, 18 NYCRR)].
- Medicaid Management Information System and eMedNY Provider Manual.
- Specifically, Title 18 NYCRR Section 540.6, 14 NYCRR Part 635 and Part 671, and OPWDD Administrative Memorandum #2002-01.

AUDIT FINDINGS

This audit report incorporates consideration of any additional documentation and information presented in response to the Draft Audit Report dated October 7, 2014.

The attached Bridge Schedule (Attachment D) indicates any changes to the findings as a result of your response.

AUDIT FINDINGS DETAIL

The OMIG's review of Medicaid claims paid to the Provider from January 1, 2009, through December 31, 2011, identified 12 claims with at least one error, for a total sample overpayment of \$64,723.93 (Attachment C). This audit report incorporates consideration of any additional documentation and information presented in response to the Draft Audit Report dated October 7, 2014. Appropriate adjustments were made to the findings.

1. Missing IRA Residential Habilitation Monthly Summary Note

Regulations state: "Progress notes shall be recorded, at least monthly, by the staff member(s) having a substantive responsibility for delivering or monitoring delivery of the plan of services."

*For services prior to 8/01/10, 14 NYCRR Section 671.6(a)(10)
For services 8/01/10 and after, 14 NYCRR Section 671.6(a)(8)*

OPWDD Administrative Memorandum #2002-01 states, ". . . a monthly summary note addressing the consumer's response to services is required."

OPWDD Administrative Memorandum #2002-01, p. 7

In 6 instances pertaining to 6 recipients, the monthly summary note was not available for review. In 3 instances pertaining to 3 recipients, the monthly summary note was not completed contemporaneous to the month of service. In 3 instances pertaining to 3 recipients, the monthly summary note was missing. This finding applies to Sample #'s 25, 30, 38, 41, 65 and 66.

2. Missing Required Elements in the IRA Residential Habilitation Service Note

OPWDD Administrative Memorandum #2002-01 states, "IRA residential habilitation service note documentation must include the following:

Required Elements

1. Recipient 's name and Medicaid number . . .
2. Identification of category of waiver service provided . . .
3. **A description of the individualized service provided by staff . . .**
4. The recipient's response to the service . . .
5. The date the service was provided.
6. The primary service location . . .
7. Verification of service provision by **the staff person delivering the service** (initials are permitted, if a "key" is provided which identifies the title, signature and full name associated with the staff initials).
8. The signature and title of the staff person writing the note.
9. The date the note was written."

OPWDD Administrative Memorandum #2002-01, p. 6

In 5 instances pertaining to 5 recipients, one or more required elements were missing in the IRA residential habilitation service note. In 4 instances pertaining to 4 recipients, the recipient's response to the service was not documented in the monthly summary note. In 1 instance, the date the note was written was missing. This finding applies to Sample #'s 10, 29, 34, 51 and 95.

3. Improper Number of Countable Service Days (Full Month) –Supervised Individualized Residential Alternative (IRA)

Regulations state, "The full month supervised IRA price shall be paid for services provided to an individual who meets the enrollment requirement in subparagraph (11)(i) of this subdivision and who receives face-to-face residential habilitation services in accordance with the individual's individualized service plan (ISP) and residential habilitation plan on each of the 22 days of the enrollment requirement. These are known as countable service days."

For services prior to 01/01/10, 14 NYCRR Section 635-10.5(b)(8)(ii)(a)

For services 01/01/10 and after, 14 NYCRR Section 635-10.5(b)(8)(iii)(a)

Regulations also state, "For supervised IRAs only: in determining countable service days the provider may include days when an individual consumer is away from the IRA, for purposes such as vacations and visits with family or friends, only when staff from the consumer's IRA deliver and document services to that consumer that are similar in scope, frequency and duration to the residential habilitation services typically delivered to the consumer at the IRA.

(a) No more than 14 days in a calendar month that meet the conditions of this subparagraph may be countable service days for a full month supervised IRA price.

(b) No more than seven days in a calendar month that meet the conditions of this subparagraph may be countable service days for one-half of a full month supervised IRA price." *14 NYCRR Section 635-10.5(b)(12)(iii)(a) and (b)*

In 1 instance, the recipient did not receive residential habilitation service for the required number of countable days. This finding applies to Sample #24.
