Dear [REDACTED]:

This is the Office of the Medicaid Inspector General's (OMIG) Final Audit Report for St. Luke's Roosevelt Hospital (Provider).

In accordance with Title 18 of the Official Compilation of the Codes, Rules and Regulations of the State of New York Section 517.6, the attached Final Audit Report represents the final determination on the issues found during OMIG's audit.

After reviewing your response to the OMIG's March 11, 2016 Draft Audit Report, the OMIG reduced the Draft Audit Report overpayments of \$35,144.67 to \$10,371.38 in the Final Report. A detailed explanation of the revision is included in the Final Report.

Based on this determination, restitution of the overpayments as defined in 18 NYCRR 518.1 is required in the amount of \$10,371.38, inclusive of interest. Since you made partial restitution with the submission of voids and adjustments subsequent to the date of the Draft Audit Report totaling \$9,289.90, a balance of \$1,081.48 is now due.

If you have any questions or comments concerning this report, please contact [REDACTED] at [REDACTED] or through email at [REDACTED]. Please refer to audit number 2016Z77-005A in all correspondence.

Sincerely,

[REDACTED]

Background, Objective, and Audit Scope

Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes Rules and Regulations), the regulations of the Office of Mental Hygiene (Title 14 of the New York Codes Rules and Regulations), DOH's Medicaid Provider Manuals and *Medicaid Update* publications.

Based on OSC Audit 2014-S-18, "Medicaid Overpayments for Inpatient Transfer Claims Among Merged or Consolidated Facilities", the purpose of this audit is to recoup overpayments for claims which were paid by Medicaid when patients were transferred among merged facilities. To accomplish this, all services paid between March 1, 2010 and April 30, 2014 were reviewed.

Objective

The objective of this audit was to assess the Provider's adherence to applicable laws, regulations, rules, and policies governing the New York State Medicaid program and to:

- recover Medicaid overpayments for Transfer Patients Among Merged Hospitals.

Audit Scope

An audit of Medicaid Claims for Transfer Patients Among Merged Hospitals for payment dates included in the period beginning March 1, 2010 and ending April 30, 2014 was performed.

Please note that due to the implementation of the National Provider Identifier (NPI) on September 1, 2008, there may be multiple Provider Identification Numbers associated with the Primary Provider Identification Number. The NPI is linked to the Primary Provider Identification Number. The Primary Provider Identification Number is used for correspondence and recoupment.

Audit Findings

OMIG has completed its audit of Medicaid Claims for Transfer Patients Among Merged Hospitals for payment dates included in the period beginning March 1, 2010 and ending April 30, 2014.

OMIG identified the following findings:

1. **Medicaid Claims for Transfer Patients Among Merged Hospitals**

Regulations state: "By enrolling the provider agrees: (e) to submit claims for payment only for services actually furnished and which were medically necessary or otherwise authorized under the Social Services Law when furnished and which were provided to eligible persons (h) that the information provided in relation to any claim for payment shall be true, accurate, and complete; and (i) to comply with the rules, regulations and official directives of the department."

18 NYCRR 504.3

Regulation 18 NYCRR 518.(c) defines "overpayment" as "any amount not authorized to be paid under the medical assistance program, whether paid as a result of ...improper claiming, unacceptable practices, fraud, abuse or mistake" and provides for the recovery by OMIG of these overpayments."

18 NYCRR 518.1(c)

Regulations state: "The department may require repayment from the person submitting an incorrect or improper claim, or the person causing such claim to be submitted, or the person receiving payment for the claim."

18 NYCRR 518.3(a)

Regulations state: "Persons furnishing, or supervising the furnishing of, medical care, services or supplies are jointly and severally liable for any overpayments resulting from the furnishing of the care, services or supplies."

18 NYCRR 518.3(c)

Regulations state: "A transfer patient...is not transferred among two or more divisions of merged or consolidated facilities..."

10 NYCRR 86-1.15(m)

Regulations state: "...hospitals or divisions that are part of a merged or consolidated facility shall be reimbursed as if the hospital that first admitted the patient had also discharged the patient."

10 NYCRR 86-1.21(b)(3)

Regulations state: "payments for hospitals subject to a merger, acquisition, or consolidation for inpatient acute care services...will be effective on the date the transaction is effected..."

10 NYCRR 86-1.31(a)

As a result of this finding, OMIG has determined that \$9,289.90 (Attachment 1) was inappropriately billed to Medicaid, resulting in Medicaid overpayments.

Pursuant to 18 NYCRR Parts 517 and 518, OMIG, on behalf of DOH, may recover such overpayments. In accordance with 18 NYCRR Section 518.4, interest may be collected on any overpayments identified in this audit and will accrue at the current rate from the date of the overpayment. Interest was calculated on the overpayments identified in this Final Audit Report from the date of each overpayment through the date of the Draft Audit Report, February 11, 2016 using the Federal Reserve Prime Rate. For the overpayments identified in this audit, OMIG has determined that accrued interest of \$1,081.48 (Attachment 1) is now owed.

Based on this determination, the total amount due to DOH, as defined in 18 NYCRR Section 518.1, is \$10,371.38 (Attachment 1), inclusive of interest.
