Re: Revised Final Audit Report
Audit #: 14-2398
Provider ID #: [REDACTED]

Dear [REDACTED]:

The New York State Office of the Medicaid Inspector General (OMIG) has identified instances where HIP Greater New York (Plan) received monthly Medicaid and/or Family Health Plus capitation payments for incarcerated enrollees during the period from January 1, 2013 through December 31, 2013. In accordance with the Medicaid Managed Care and Family Health Plus/HIV Special Needs Plan Model Contract (Contract) and Section 517.6 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (18 NYCRR), this report represents the revised final determination on the issues found during the OMIG's review.

BACKGROUND

The New York State Department of Health (the Department) is the state agency responsible for the administration of the Medicaid program. As part of its responsibility as an entity within the Department, the OMIG conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of the Department (Titles 10 and 18 of NYCRR), the regulations of the Office of Mental Health (Title 14 of the NYCRR), and the Department's Medicaid Provider Manuals, *Medicaid Update* publications and any applicable contracts.

PURPOSE AND SCOPE

The purpose of this audit was to identify instances where the Plan received a capitation payment from Medicaid when the enrollee was incarcerated for the entire payment month. The review includes capitation payments made to the Plan during the period from January 1, 2013 through December 31, 2013. These cases were identified by a computerized match comparing Medicaid and/or Family Health Plus managed care enrolled recipients to information provided by the New York State Department of Correctional and Community Supervision (DOCCS) and Division of Criminal Justice Services (DCJS).

In accordance with 18 NYCRR Parts 517 and 518 and pursuant to the Contract, specifically Section 3.6 (SDOH Right to Recover Premiums) and Appendix H, the OMIG, on behalf of the Department, has the right to recover premiums paid to the Plan for enrollees listed on the monthly roster who are later determined to have been ineligible for the entire applicable payment month.

FINDINGS

A Draft Audit Report was issued on July 8, 2014 identifying \$163,999.28 in overpaid capitation payments made to the Plan for periods subsequent to the enrollee's incarceration. In its August 5, 2014 response, the Plan submitted documentation contesting a portion of the claims (Attachment I). Upon reviewing the documentation, the OMIG agreed to reduce the overpayments in the Draft Audit Report by \$3,599.52 (Attachment II). Subsequently, a rate adjustment of \$16.84 occurred and as a result, the findings of the Revised Final Audit Report are \$160,416.60.

The total amount of overpayment, as defined in 18 NYCRR 518.1(c), is \$160,416.60. The Plan submitted claim voids in the amount of \$160,416.60. Therefore, there is no balance due the New York State Department of Health (Attachment III).

PROVIDER RIGHTS

The Plan has the right to challenge this action and determination by requesting an administrative hearing within sixty (60) days of the date of this notice. In accordance with 18 NYCRR Section 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action."

If the Plan wishes to request a hearing, the request must be submitted in writing to

General Counsel
Office of Counsel
New York State Office of the Medicaid Inspector General
800 North Pearl Street
Albany, New York 12204

Questions regarding the request for a hearing should be directed to the Office of Counsel, at [REDACTED].

If a hearing is held, the Plan may have a person represent the Plan or the Plan may represent itself. If the Plan chooses to be represented by someone other than an attorney, the Plan must supply along with the Plan's hearing request a signed authorization permitting that person to represent the Plan at the hearing; the Plan may call witnesses and present documentary evidence on the Plan's behalf.

The OMIG reserves the right to conduct further reviews of the Plan's participation in the Medicaid program, take action where appropriate, and recover any associated overpayments. Please contact [REDACTED] at [REDACTED] or via e-mail at [REDACTED] or if you have any questions regarding the above. Thank you for your cooperation.

Sincerely,

[REDACTED]
