Re: Final Audit Report
Medicaid EHR Incentive Program
Audit # 16-1186
NPI # [REDACTED]
Provider ID # [REDACTED]

Dear Dr. Alvear:

This letter serves as the Office of the Medicaid Inspector General's (OMIG) Final Audit Report of payment made to you under the New York State Medicaid Electronic Health Record (EHR) Incentive Program for adoption, implementation, or upgrade (A/I/U) to a certified EHR system during the calendar year ending December 31, 2012.

BACKGROUND, PURPOSE AND SCOPE

The New York State Department of Health (the Department) is responsible for the administration of the Medicaid program. As part of this responsibility, the Office of the Medicaid Inspector General (OMIG), an independent office within the Department, conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at ensuring provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth by the Departments of Health, Mental Hygiene, and Social Services [Titles 10, 14 and 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (10 NYCRR, 14 NYCRR, 18 NYCRR)], the Medicaid Management Information System (MMIS) Provider Manuals and Department *Medicaid Updates*.

The OMIG recently completed a review of the information attested to in your attestation for the NYS Medicaid EHR Incentive Program. Medicaid EHR Incentive payments were authorized by the American Recovery and Reinvestment Act of 2009 (Public Law 111-5), and implemented by Federal regulation principally at 42 CFR Part 495. This review examined the supporting documentation for your submitted attestation, signed April 15, 2013, for payment for A/I/U to a certified EHR system during the calendar year ending December 31, 2012. You were paid an EHR incentive payment of \$21,250 for this submitted attestation. The purpose of the audit was to ensure your compliance with applicable Federal and State laws, regulations, rules, and policies governing the New York State Medicaid EHR Incentive Program, including verification of eligibility for the EHR Incentive Program and the adoption, implementation, or upgrade of a certified EHR system.

LAWS, REGULATIONS, RULES AND POLICIES

The following are applicable Laws, Regulations, Rules and Policies of the Medicaid program referenced when conducting this audit:

- Medicaid Management Information System and eMedNY Provider Manual.
- Specifically, 42 CFR § 495-Standards for The Electronic Health Record Technology Incentive Program.
- In addition to any specific detailed findings, rules and/or regulations which may be listed below, the following regulations pertain to all audits:

Regulations state: "By enrolling the provider agrees: (a) to prepare and to maintain contemporaneous records demonstrating its right to receive payment . . . and to keep for a period of six years from the date the care, services or supplies were furnished, all records necessary to disclose the nature and extent of services furnished and all information regarding claims for payment submitted by, or on behalf of, the provider . . . (e) to submit claims for payment only for services actually furnished and which were medically necessary or otherwise authorized under the Social Services Law when furnished and which were provided to eligible persons; (f) to submit claims on officially authorized claim forms in the manner specified by the department in conformance with the standards and procedures for claims submission; . . . (2) All information regarding claims for payment submitted by or on behalf of the provider is subject to audit for a period of six years from the date the care, services or supplies were furnished or billed, whichever is later, and must be furnished, upon request, to the department ... for audit and review."

18 NYCRR Section 518.3(b)

DETERMINATION

In the May 17, 2016 telephone communication you indicated that you are not objecting to the audit findings in our Draft Audit Report dated April 7, 2016. As a result, the Final Audit Report remains unchanged to the overpayment identified in the Draft Audit Report.

The OMIG's review of your payment for the Medicaid EHR Incentive Program identified at least one error, for a total overpayment of \$21,250. The errors identified in the audit are described in the Detailed Findings section below.

DETAILED FINDINGS

1. Failure to Adopt, Implement, or Upgrade to a Certified EHR System

Federal regulations state, "*Adopt, implement or upgrade* means—(1) Acquire, purchase, or secure access to certified EHR technology; (2) Install or commence utilization of certified EHR technology capable of meeting meaningful use requirements; or (3) Expand the available functionality of certified EHR technology capable of meeting meaningful use requirements at the practice site, including staffing, maintenance, and training, or upgrade from existing EHR technology to certified EHR technology per the ONC EHR certification criteria."

42 CFR § 495.302

Federal regulations state, "*First payment year*. (1) In the first payment year, to receive an incentive payment, the Medicaid EP or eligible hospital must meet one of the following: (i) Demonstrate that during the payment year, it has adopted, implemented, or upgraded certified EHR technology, as defined in §495.302."

42 CFR § 495.314(a)(1)(i)

2. Failure to Submit Documentation to Support Eligibility

Regulations state: "By enrolling the provider agrees: (a) to prepare and to maintain contemporaneous records demonstrating its right to receive payment . . . and to keep for a period of six years from the date the care, services or supplies were furnished, all records necessary to disclose the nature and extent of services furnished and all information regarding claims for payment submitted by, or on behalf of, the provider . . . (e) to submit claims for payment only for services actually furnished and which were medically necessary or otherwise authorized under the Social Services Law when furnished and which were provided to eligible persons; (f) to submit claims on officially authorized claim forms in the manner specified by the department in conformance with the standards and procedures for claims submission; . . . (h) that the information provided in relation to any claim for payment shall be true, accurate and complete; and (i) to comply with the rules, regulations and official directives of the department."

18 NYCRR Section 504.3

Furthermore, according to regulations, all providers must prepare and maintain contemporaneous records demonstrating their right to receive payment under the medical assistance program. In addition, the provider must keep, for a period of six years, all records necessary to disclose the nature and extent of services furnished and the medical necessity therefore, including any prescription or fiscal order for the service or supply. This information is subject to audit for a period of six years and must be furnished, upon request.

18 NYCRR Section 517.3(b)

Statute provides, "The inspector shall have the following functions, duties and responsibilities:...(9) to require and compel the production of such books, papers, records and documents as he or she may deem to be relevant or material to an investigation, examination or review undertaken pursuant to this section..."

Public Health Law §32(9)

During enrollment in the NYS EHR Incentive Program each provider attested to the following: "I hereby agree to keep such records as are necessary to demonstrate that I met all Medicaid EHR Incentive Program requirements...failure to furnish subsequently requested information or documents will result in the issuance of an overpayment demand letter followed by recoupment procedures."
