Re: Final Audit Report
Audit #: 15-5979
Provider ID #: [REDACTED]

Dear [REDACTED]

The New York State Office of the Medicaid Inspector General (OMIG) has identified Medicaid and Family Health Plus supplemental newborn or maternity capitation payments made to Syracuse PHSP (Plan) where there was no corresponding hospital birth or delivery encounter data submitted. In accordance with Section 517.6 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (18 NYCRR), this report represents the final determination on the issues found during the OMIG's review.

BACKGROUND

The New York State Department of Health (Department) is responsible for the administration of the Medicaid program. As part of its responsibility as an entity within the Department, the OMIG conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of the Department (Titles 10 and 18 of NYCRR), the regulations of the Office of Mental Health (Title 14 of the NYCRR), and the Department's Medicaid Provider Manuals, *Medicaid Update* publications and Medicaid Managed Care and/or Family Health Plus/HIV Special Needs Plan Model Contract (Contract).

PURPOSE AND SCOPE

The purpose of the audit was to identify instances where the Plan received a supplemental newborn and/or maternity capitation payment from Medicaid where no corresponding encounter data was reported by the Plan for the services. The audit identified instances where the Plan failed to maintain and provide documentation to support the billing of supplemental newborn and maternity capitation payments. The scope of the audit included supplemental newborn and maternity capitation payments with dates of services from January 1, 2013 through December 31, 2014.

Sections 3.9 and 3.10 of the Contract provide for a supplemental newborn or maternity capitation payment to a managed care organization (MCO) where applicable. The MCO must first make payment to the hospital for the birth or delivery before billing Medicaid for the supplemental payment, and maintain on file evidence of the payment. Section 18.5 (a)(iv) of the Contract, *Reporting Requirements for Encounter Data*, also requires the MCO to prepare and submit encounter data on a monthly basis to the Department. Pursuant to 3.9(d) and 3.10(f) of the Contract, "Failure to have supporting records may, upon audit, result in recoupment of the supplemental maternity or newborn capitation payment by the Department."

FINDINGS

A Draft Audit Report was issued on January 19, 2016, identifying \$13,921.25 in inappropriately billed claims for supplemental maternity or newborn capitation payments wherein the Plan failed to submit encounter data. In its March 16, 2016 response, the Plan agreed with the findings in the Draft Audit Report (Attachment I). As a result, the findings of the Final Audit Report remain unchanged from those cited in the Draft Audit Report.

In accordance with 18 NYCRR Parts 517 and 518 and pursuant to the Contract, specifically Section 3.6 and Appendix H, the OMIG, on behalf of the Department, has the right to recover premiums paid to the Plan for enrollees listed on the monthly roster who are later determined to have been ineligible for the entire applicable payment month.

In accordance with 18 NYCRR 518.4, interest may be collected on any overpayments identified in this audit and will accrue at the current rate from the date of the overpayment. Interest was calculated on the overpayments identified in the Final Audit Report using a Federal Reserve Prime Rate from the date of overpayment through January 19, 2016. As a result, for the overpayments identified in this audit, the OMIG has determined that accrued interest of \$1,196.44 is owed (Attachment II).

The total amount of overpayment, inclusive of interest, defined in 18 NYCRR §518.1(c), is \$15,117.69. Therefore, \$15,117.69 is due the New York State Department of Health (Attachment II).

EFFECTIVE DATE

The OMIG, on behalf of the Department, is seeking to recover an overpayment in the amount of \$15,117.69 from the Plan, effective 20 days from the date of this Final Audit Report.

PAYMENT OPTIONS

In accordance with 18 NYCRR Part 518 which regulates the collection of overpayments, your repayment options are described below.

OMIG acceptance of the repayment agreement is based on your repaying the Medicaid overpayment as agreed. The OMIG will adjust the rate of recovery, or require payment in full, if your unpaid balance is not being repaid as agreed. In addition, if you receive an adjustment in your favor while you owe funds to the State, such adjustment will be applied against any amount owed. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action."

The OMIG reserves the right to conduct further reviews of your participation in the Medicaid program, take action where appropriate, and recover any associated overpayments. Please contact [REDACTED] if you have any questions regarding the above. Thank you for your cooperation.

Sincerely,
