Re: Final Audit Report
Audit # 15-3740
Provider ID # [REDACTED]

Dear [REDACTED]:

The New York State Office of the Medicaid Inspector General (OMIG) has identified Medicaid and/or Family Health Plus capitation payments made to Affinity Health Plan, Inc. (Plan) which were paid for an individual who was concurrently enrolled in a different Managed Care Organization (MCO) under a different Client Identification Number (CIN). In accordance with the Medicaid Managed Care/Family Health Plus/HIV Special Needs Plan Model Contract (Contract) and Section 517.6 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (18 NYCRR), this report represents the final determination on the issues found during the OMIG's review.

BACKGROUND

The New York State Department of Health (the Department) is responsible for the administration of the Medicaid program. As part of its responsibility as an entity within the Department, the OMIG conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of the Department (Titles 10 and 18 of NYCRR), the regulations of the Office of Mental Health (Title 14 of the NYCRR), the Department's Medicaid Provider Manuals, *Medicaid Update* publications and the Contract.

PURPOSE AND SCOPE

The purpose of the audit was to identify instances where the Plan received a capitation payment from Medicaid for an individual who was concurrently enrolled in a different MCO under a different CIN, and then determine which of the concurrent capitation payments were paid inappropriately. These determinations are based on guidance provided by the New York State Department of Health, Office of Health Insurance Programs (OHIP) whereby encounter data reported by the MCO, or lack thereof, during the concurrent enrollment period was utilized to make the overpayment determination. If neither MCO reported encounter data during the concurrent enrollment period, the capitation payment will be recovered from the MCO affiliated with the CIN first closed by the local district. The scope of the audit includes capitation payments made to different MCOs with concurrent dates of service starting between January 1, 2010 and December 31, 2010 and continuing until the concurrent payments end.

In accordance with 18 NYCRR Parts 517 and 518 and pursuant to the Contract, specifically Section 3.6 (SDOH Right to Recover Premiums), Section 19.7 (OMIG Audit Authority) and Appendix H, the OMIG, on behalf of the Department, has the right to recover premiums paid to the Plan for enrollees listed on the monthly roster who are later determined to have been ineligible for the entire applicable payment month.

FINDINGS

A Draft Audit Report was issued August 18, 2015 identifying \$415,781.76 in inappropriately paid capitation payments for individuals concurrently enrolled in a different MCO under a different CIN. In accordance with 18 NYCRR Parts 517 and 518 and pursuant to the Contract, Section 3.6 and Appendix H, the OMIG, on behalf of the Department, has the right to recover premiums paid to the Plan for enrollees listed on the monthly roster who are later determined to have been ineligible for the entire applicable payment month. In its September 6, 2015 response (Attachment I) to the Draft Audit Report, the Plan submitted documentation contesting a portion of the claims. Upon reviewing the documentation, the OMIG agreed to reduce the overpayments in the Draft Audit Report by \$795.31 (Attachment II) resulting in an overpayment of \$414,986.45 (Attachments III and IV).

The total amount of overpayment, as defined in 18 NYCRR §518.1(c) is \$414,986.45. Subsequent to the issuance of the Draft Audit Report, the Plan voided claims in the amount of \$413,765.47 (Attachment III). The remaining claims the Plan did not void total \$554.06 (Attachment III). A portion of some claims included in this audit were partially recovered in an earlier project. The remaining amount due to the New York State Department of Health on these partially recovered claims is \$666.92 (Attachment IV). The claims depicted on Attachment IV should not be voided. Therefore, a total of \$1,220.98 is due the New York State Department of Health (Attachments V).

EFFECTIVE DATE

The OMIG, on behalf of the Department, is seeking to recover overpayments in the amount of \$1,220.98 (Attachments V) from the Plan, effective 20 days from the date of this Final Audit Report.
