FINAL AUDIT REPORT  
Audit #2015Z12-161G  
Provider [REDACTED]

Dear [REDACTED]

The New York State Office of the Medicaid Inspector General (OMIG) completed an audit of Medicaid claims paid for services allegedly provided to Medicaid recipients after their date of death.

In accordance with Section 517.6 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (18 NYCRR), this report represents the final determination on issues found during the OMIG's review.

Since you did not submit any documentation in response to the OMIG's May 12, 2015 Draft Audit Report, the overpayments are unchanged. A detailed Final Report, along with supporting exhibits, is appended to this notice.

Based on this determination, restitution of the overpayments as defined in 18 NYCRR 518.1 is required in the amount of \$1,712.13, inclusive of interest.

In accordance with 18 NYCRR Part 518 which regulates the collection of overpayments, your repayment options are described as follows:

**OPTION #1:** Make a full payment by check or money order within 20 days of the date of the final report. The check should be made payable to the New York State Department of Health and be sent with the enclosed Remittance Advice form, signed and dated, to:

  
New York State Department of Health  
Medicaid Financial Management  
GNARESP Corning Tower, Room 2739  
Albany, New York 12237

**OPTION #2:** Enter into a repayment agreement with the Office of the Medicaid Inspector General. If your repayment terms exceed 90 days from the date of the final audit report, recoveries of amounts due are subject to interest charges at the prime rate plus 2%. If the process of establishing the repayment agreement exceeds 20 days from the date of the final audit report, the OMIG will impose a 50% withhold after 20 days until an agreement is established. OMIG acceptance of the repayment agreement is based on your repaying the Medicaid overpayment as agreed. The OMIG will adjust the rate of recovery, or require payment in full, if your unpaid balance is not being repaid as agreed. In addition, if you receive an adjustment in your favor while you owe funds to the State, such adjustment will be applied against any amount owed. If you wish to enter into a repayment agreement, please contact the Bureau of Collections Management within 20 days at the following:

Bureau of Collections Management  
New York State Office of the Medicaid Inspector General  
800 North Pearl Street  
Albany, New York 12204

You have the right to challenge this action and determination by requesting an administrative hearing within sixty (60) days of the date of this notice. In accordance with 18 NYCRR Section 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action."

If you wish to request a hearing, the request must be submitted in writing to:

General Counsel

## **BACKGROUND, PURPOSE AND SCOPE**

The New York State Department of Health (DOH) is responsible for the administration of the Medicaid program. As an independent office within DOH, the OMIG conducts audits and reviews of providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at assuring provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth in NY Public Health Law, NY Social Services Law, regulations of the Department of Health, (Titles 10 and 18 of the NYCRR), Medicaid Provider Manuals, and *Medicaid Update* publications.

A review of Medicaid payments made to you has determined that you may have improperly billed for services allegedly provided to Medicaid recipients after their date of death. This review matched the recipient's Medicaid payment history against Medicaid death records, New York State Vital Statistics death records, and the Social Security Death Index (SSDI) records.

To accomplish this review, claims for services with payment dates from July 1, 2009 through December 31, 2012, were reviewed.

*Please note that due to the implementation of the National Provider Identifier (NPI) on September 1, 2008, there may be multiple Provider Identification Numbers associated with the Primary Provider Identification Number. The NPI is linked to the Primary Provider Identification Number. The Primary Provider Identification Number is used for correspondence and recoupment.*
