Dear [REDACTED]

This is the Office of the Medicaid Inspector General's (OMIG) Final Audit Report for Capital District Physicians' Health Plan (Plan).

In accordance with the Medicaid Managed Care/Family Health Plus/HIV Special Needs Plan Model Contract and Title 18 of the Official Compilation of the Codes, Rules and Regulations of the State of New York Section 517.6, this Final Audit Report represents the final determination on the issues found during OMIG's audit.

After reviewing the Plan's September 7, 2016 response to OMIG's August 4, 2016 Draft Audit Report, OMIG has reduced the overpayments identified in the Draft Audit Report from \$37,979.49 to \$35,904.22 in this Final Audit Report. Based on this determination, the total amount due is \$35,904.22. A detailed explanation can be found in the Audit Findings section of this report.

Background, Objective, and Audit Scope

Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes, Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes, Rules and Regulations), DOH's Medicaid Provider Manuals, *Medicaid Update* publications, and the Medicaid Managed Care/Family Health Plus/HIV Special Needs Plan Model Contract (Contract).

In accordance with 18 NYCRR Parts 517 and 518 and pursuant to the Contract, specifically Section 3.6, the OMIG, on behalf of the Department, has the right to recover premiums paid to the Plan for enrollees listed on the monthly roster who are later determined to have been ineligible for the entire applicable payment month.

Objective

The objective of this audit was to assess the Plan's adherence to applicable laws, regulations, rules and policies governing the New York State Medicaid program and to recover:

- Monthly capitation payments for Medicaid managed care enrollees from Rensselaer County that were determined to be incarcerated for a full payment month.

Audit Scope

This audit identified instances where capitation payments were made to the Plan for enrollees who were determined to be incarcerated for a full payment month. This audit included capitation payments made to the Plan for dates of service beginning August 1, 2014 and ending February 1, 2016.

Audit Findings

OMIG issued a Draft Audit Report to the Plan on August 4, 2016 that identified \$37,979.49 in Medicaid overpayments for managed care enrollees that were determined to be incarcerated for a full payment month. The Plan's September 7, 2016 response (Attachment A) to the Draft Audit Report disputed 4 of the claims identified. After reviewing the Plan's response to the Draft Audit Report, OMIG agreed with the Plan and removed the 4 claims from the Final Audit Report findings. As a result, in this Final Audit Report, OMIG reduced the overpayments identified in the Draft Audit Report by \$2,134.67, inclusive of a \$2.51 rate adjustment (Attachment B). The overpayment of \$35,847.33 was further adjusted by \$56.89, as a result, the total amount of overpayment is now \$35,904.22 (Attachment C). Pursuant to Sections 3.6 and 19.7 of the Contract, and Title 18 of the Official Compilation of the Codes, Rules and Regulations of the State of New York (18 NYCRR) Parts 517 and 518, OMIG, on behalf of DOH, may recover such overpayments.

Based on this determination, the total amount of overpayment, as defined in 18 NYCRR Section 518.1(c), is \$35,904.22. Subsequent to the issuance of the Draft Audit Report, the Plan voided claims in the amount of \$35,904.22. Therefore, there is no balance due the DOH (Attachment C).

Hearing Rights

The Plan has the right to challenge this action and determination by requesting an administrative hearing within sixty (60) days of the date of this notice. In accordance with 18 NYCRR 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action."

If the Plan wishes to request a hearing, the request must be submitted in writing within sixty (60) days of the date of this notice to:

General Counsel
New York State
Office of the Medicaid Inspector General
Office of Counsel
800 North Pearl Street

Questions regarding the request for a hearing should be directed to Office of Counsel, at [REDACTED]

If a hearing is held, the Plan may have a person represent it or the Plan may represent itself. If the Plan chooses to be represented by someone other than an attorney, the Plan must supply along with its hearing request a signed authorization permitting that person to represent the Plan at the hearing; the Plan may call witnesses and present documentary evidence on its behalf.

For a full listing of hearing rights please see 18 NYCRR Part 519.
