## Background, Objective, and Audit Scope

---

### Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes, Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes, Rules and Regulations), DOH's Medicaid Provider Manuals and *Medicaid Update* publications.

A review of Medicaid payments made to you has determined that you billed and were paid twice by Medicaid for the same drug claim for the same recipient and same date of service, once through a Medicare Crossover pharmacy claim billed with a J-code, and secondly by directly billing Medicaid for the same drug.

### Objective

The objective of this audit was to assess the Provider's adherence to applicable laws, regulations, rules, and policies governing the New York State Medicaid program and to:

- recover duplicate Medicaid pharmacy claims billed for the same recipient and date of service.

### Audit Scope

An audit of Medicaid pharmacy claims paid by Medicaid for payment dates included in the period beginning January 1, 2011 and ending December 31, 2014 was completed.

*Please note that due to the implementation of the National Provider Identifier (NPI) on September 1, 2008, there may be multiple Provider Identification Numbers associated with the Primary Provider Identification Number. The NPI is linked to the Primary Provider Identification Number. The Primary Provider Identification Number is used for correspondence and recoupment.*

## Audit Findings

---

OMIG issued a Draft Audit Report to the Provider on July 20, 2016 that identified \$2,967.74 in Medicaid overpayments. The Provider did not respond to the Draft Audit Report. As a result, the overpayments identified in this Final Audit Report remain unchanged from those cited in the Draft Audit Report.

OMIG performed its audit of duplicate pharmacy claims paid for payment dates included in the period beginning January 1, 2011 and ending December 31, 2014.

OMIG identified the following findings:

**1. Duplicate Pharmacy Claims Billed for the Same Recipient and Date of Service**

Regulations state: "By enrolling the provider agrees: (h) that the information provided in relation to any claim for payment shall be true, accurate, and complete; and (i) to comply with the rules, regulations and official directives of the department."

18 NYCRR 504.3

Regulations state: "Fee-for-service providers. (1) All providers ... must prepare and maintain contemporaneous records demonstrating their right to receive payment. . . All records necessary to disclose the nature and extent of services furnished and the medical necessity therefor ... must be kept by the provider for a period of six years from the date the care, services or supplies were furnished or billed, whichever is later. (2) All information regarding claims for payment submitted by or on behalf of the provider is subject to audit for a period of six years from the date the care, services or supplies were furnished or billed, whichever is later, and must be furnished upon request, to the department ... for audit and review."

18 NYCRR 517.3(b)

Regulations state: "An overpayment includes any amount not authorized to be paid under the medical assistance program, whether paid as the result of inaccurate or improper cost reporting, improper claiming, unacceptable practices, fraud, abuse or mistake."

18 NYCRR 518.1(c)

Regulations state: "The department may require repayment from the person submitting an incorrect or improper claim, or the person causing such claim to be submitted, or the person receiving payment for the claim."

18 NYCRR 518.3(a)

Regulations state: "The department may require repayment for inappropriate, improper, unnecessary or excessive care, services or supplies from the person furnishing them, or the person under whose supervision they were furnished, or the person causing them to be furnished."

18 NYCRR 518.3(b)

Regulations state: "Persons furnishing, or supervising the furnishing of, medical care, services or supplies are jointly and severally liable for any overpayments resulting from the furnishing of the care, services or supplies."

18 NYCRR 518.3(c)

Regulations state: "Where a third party, such as a health insurer or responsible person, has a legal liability to pay for Medicaid covered services on behalf of a recipient, the department or social services district will pay only the amount by which the Medicaid reimbursement rate for the services exceeds the amount of the third party liability."

18 NYCRR 360-7.2

Regulations state: "Vendor payments for medical care and other items of medical assistance shall not be made unless such care or other items of assistance have been furnished on the basis of the appropriate authorization prescribed by the rules of the board and regulations of the department."

18 NYCRR 540.1

As a result of this finding, OMIG has determined that **\$2,721.41** (Attachment 1) was inappropriately billed to Medicaid, resulting in Medicaid overpayments.

In accordance with 18 NYCRR Section 518.4, interest may be collected on any overpayments identified in this audit and will accrue at the current rate from the date of the overpayment. Interest on the overpayments identified in this Final Audit Report was calculated from the date of each overpayment through the date of the Draft Audit Report, using the Federal Reserve Prime Rate. For the overpayments identified in this audit, OMIG has determined that accrued interest of **\$246.33** (Attachment 1) is now owed.

Based on this determination, the total amount due to DOH, as defined in 18 NYCRR Section 518.1 is **\$2,967.74** (Attachment 1), inclusive of interest.

Do not submit claim voids or adjustments in response to this Final Audit Report. Repayment instructions are outlined on the next page.

Pursuant to the State Finance Law §18(5), a collection fee equal to twenty two percent (22%) of the amount due, including interest, may be added to the amount owed. OMIG's remedies may include, without limitation, filing this Final Audit Report as the final administrative determination for purposes of obtaining a judgment lien pursuant to §145-a of the New York State Social Services Law; withholding Medicaid payments otherwise payable to the provider or its affiliates pursuant to 18 NYCRR 518.6; and imposing a sanction, pursuant to 18 NYCRR 515.2, against a provider who fails to reimburse the department for overpayments discovered by this audit.
