Background, Objective, and Audit Scope

Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes Rules and Regulations), the regulations of the Office of Mental Hygiene (Title 14 of the New York Codes Rules and Regulations), DOH's Medicaid Provider Manuals and *Medicaid Update* publications.

Medicaid skilled nursing facility patients and hospital inpatients are provided a full range of patient services during their stay. HHC/PCA services, with certain exceptions, are not necessary during these stays as they are duplicative. Medicaid reimbursement may not be made for services which duplicate/substitute for services that are required to be provided by another entity.

The OMIG performed an audit of Medicaid payments for home health and personal care services. The audit reviewed Medicaid fee-for-service claims of home health and personal care services for Medicaid recipients who resided in a skilled nursing facility or received inpatient hospital services on the same date of home health services and/or personal care services.

To accomplish this review, certain Medicaid claims for home health and/or personal care services with payment dates from January 1, 2014 to December 31, 2018 were reviewed.

Objective

The objective of this audit was to assess the Provider's adherence to applicable laws, regulations, rules, and policies governing the New York State Medicaid program and to:

- Determine if the Provider improperly billed for home health and/or personal care services during a skilled nursing facility stay; and/or
- Determine if the Provider improperly billed home health and/or personal care services during an inpatient hospital stay.

Audit Scope

An audit of Medicaid claims for home health and/or personal care services billed during an inpatient hospital or skilled nursing facility stay with payment dates included in the period beginning January 1, 2014 ending December 31, 2018 was completed.

Please note that due to the implementation of the National Provider Identifier (NPI) on September 1, 2008, there may be multiple Provider Identification Numbers associated with the Primary Provider Identification Number. The NPI is linked to the Primary Provider Identification Number. The Primary Provider Identification Number is used for correspondence and recoupment.

Audit Findings

OMIG issued a Draft Audit Report to the Provider on April 24, 2019 that identified \$10,136.93 in Medicaid overpayments. The Provider's May 21, 2019 response to the Draft Audit Report stated that the Provider is in agreement with the Draft Audit Report findings. As a result, the overpayments identified in this Final Audit Report remain unchanged from those cited in the Draft Audit Report.

OMIG identified the following findings:

1. Home Health Services and/or Personal Care Services Billed During a Skilled Nursing Facility Stay:

Regulations state: "By enrolling the provider agrees... "to submit claims for payment only for services actually furnished and which were medically necessary..."

18 NYCRR 504.3(e)

Regulations state: "By enrolling the provider agrees... that the information provided in relation to any claim for payment shall be true, accurate, and complete;"

18 NYCRR 504.3(h)

Regulations state: "By enrolling, the provider agrees... to comply with the rules, regulations and official directives of the department."

18 NYCRR 504.3(i)

Regulation 18 NYCRR 518.1(c) defines "overpayment" as "any amount not authorized to be paid under the medical assistance program, whether paid as a result of ...improper claiming... or mistake" and provides for the recovery of these overpayments by OMIG.

18 NYCRR 518.1(c)

Regulation 18 NYCRR 505.23(a)(1) states: It is the policy of the department to pay for home health services under the medical assistance (MA) program only when: (i) the services are medically necessary; and (ii) the services can maintain the recipient's health and safety in his or her own home, as determined by the certified home health agency in accordance with the regulations of the Department of Health.

18 NYCRR 505.23(a)(1)(i)(ii)

As a result of this finding, OMIG has preliminarily determined that **\$335.52** (Attachment A) was inappropriately billed to Medicaid, resulting in Medicaid overpayments.

2. Home Health Services and/or Personal Care Services Billed During an Inpatient Hospital Stay

Regulations state: "By enrolling the provider agrees... "to submit claims for payment only for services actually furnished and which were medically necessary..."

18 NYCRR 504.3(e)

Regulations state: "By enrolling the provider agrees... that the information provided in relation to any claim for payment shall be true, accurate, and complete;"

18 NYCRR 504.3(h)

Regulations state: "By enrolling, the provider agrees... to comply with the rules, regulations and official directives of the department."

18 NYCRR 504.3(i)

Regulation 18 NYCRR 518.1(c) defines "overpayment" as "any amount not authorized to be paid under the medical assistance program, whether paid as a result of ...improper claiming... or mistake" and provides for the recovery of these overpayments by OMIG.

18 NYCRR 518.1(c)

Regulation 18 NYCRR 505.23(a)(1) states: It is the policy of the department to pay for home health services under the medical assistance (MA) program only when: (i) the services are medically necessary; and (ii) the services can maintain the recipient's health and safety in his or her own home, as determined by the certified home health agency in accordance with the regulations of the Department of Health.

18 NYCRR 505.23(a)(1)(i)(ii)

As a result of this finding, OMIG has preliminarily determined that **\$8,832.44** (Attachment B) was inappropriately billed to Medicaid, resulting in Medicaid overpayments.

Pursuant to 18 NYCRR Parts 517 and 518, OMIG, on behalf of DOH, may recover such overpayments. In accordance with 18 NYCRR Section 518.4, interest may be collected on any overpayments identified in this audit and will accrue at the current rate from the date of the overpayment. Interest was calculated on the overpayments identified in this Draft Audit Report from the date of each overpayment through the date of the Draft Audit Report, using the Federal Reserve Prime Rate. For the overpayments identified in this audit, OMIG has determined that accrued interest of **\$968.97** (Attachments A & B) is now owed.

Based on this determination, the total proposed amount due to DOH, as defined in 18 NYCRR Section 518.1, is **\$10,136.93** (Attachments A & B), inclusive of interest.
