Audit #: 2019Z64-022Q  
Provider #: 02512696

Dear Provider:

This letter constitutes the Office of the Medicaid Inspector General's (OMIG) Final Audit Report of Galina Orenshteyn, MD (Provider).

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes Rules and Regulations), the regulations of the Office of Mental Hygiene (Title 14 of the New York Codes Rules and Regulations), the regulations of the Education Department (Title 8 of the New York Codes Rules and Regulations), DOH's Medicaid Provider Manuals and Medicaid Update publications.

The objective of this audit was to assess the Provider's adherence to applicable laws, regulations, rules, and policies governing the New York State Medicaid program and to determine if the Provider improperly billed for:

- the VFC administration fee for a vaccine that was billed in excess of the Medicaid amount allowed; and
- the VFC vaccine without the SL modifier.

OMIG has determined that for the period and scope reviewed, the Provider generally adhered to applicable Medicaid billing rules and regulations. OMIG has concluded that no further action is required pertaining to this audit.

The Provider has the right to challenge this action and determination by requesting an administrative hearing within sixty (60) days of the date of this notice. In accordance with 18 NYCRR Section 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action."

If the Provider wishes to request a hearing, the request must be submitted in writing within sixty (60) days of the date of this notice to:
