Dear [REDACTED]

This is the Office of the Medicaid Inspector General's (OMIG) Final Audit Report for Union Community Health Center, Inc. (Provider).

In accordance with Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (NYCRR) Section 517.6, OMIG performed an audit of Medicaid fee-for-service payments for family planning and reproductive health services paid to the Provider, on behalf of Medicaid beneficiaries while they were enrolled in Amerigroup Corporation; Healthfirst PHSP, Inc.; or WellCare of New York, Inc. (Plans).

After reviewing the Provider's January 8, 2019 response to OMIG's December 5, 2018 Draft Audit Report, the overpayments in this Final Audit Report remain unchanged from those overpayments identified in the Draft Audit Report. Based on this determination, the final overpayment amount is \$30,293.73, inclusive of interest. A detailed explanation can be found in the Audit Findings section.

## Background, Objective, and Audit Scope

---

### Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes, Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes, Rules and Regulations), DOH's Medicaid Provider Manuals, *Medicaid Update* publications, and the Medicaid Managed Care/Family Health Plus/HIV Special Needs Plan Model Contract (Contract).

Federal Medicaid law prohibits any restrictions to access by Medicaid recipients for family planning services. Accordingly, DOH requires that all participating managed care organizations (MCO) ensure that individuals of childbearing age have access to the full range of family planning and reproductive health services from any qualified provider that undertakes to provide such services.

Pursuant to Appendix C – Requirements for the Provision of Family Planning and Reproductive Health Services of the Contract, if the MCO chooses to receive a monthly capitation payment for covered services which includes family planning and reproductive health services, the MCO is subsequently responsible to reimburse their network providers for these services provided to the MCO's Medicaid enrollees. Once a network provider provides services to a Medicaid enrollee, the network provider is required to bill liable third-parties (i.e. the MCO it is under contract with) under 18 NYCRR Section 540.6(e) before directly billing Medicaid fee-for-service, which is the payer of last resort.

### Objective

The objective of this audit was to assess the Provider's adherence to applicable laws, regulations, rules and policies governing the New York State Medicaid program and to verify that:

- the Provider is not in receipt of Medicaid fee-for-service payments for an individual who was enrolled in a Plan where a participating provider contractual agreement existed between the Plan and the Provider; and
- fee-for-service Medicaid payments were billed in accordance with applicable rules and requirements such that the Provider sought payment from all other available entities prior to billing Medicaid fee-for-service.

### Audit Scope

This audit identified instances where Medicaid payments associated with family planning and reproductive health services were billed fee-for-service by the Provider, but should have been reimbursed to the Provider by the Plan. This audit included Medicaid fee-for-service payments made to the Provider for dates of service beginning January 1, 2013 and ending June 30, 2014.

---

## Audit Findings

---

OMIG issued a Draft Audit Report to the Provider on December 5, 2018 that identified \$25,305.56 in Medicaid overpayments where Medicaid fee-for-service payments were made to the Provider for enrollees who were enrolled in Plans that had participating provider agreements with the Provider. The Provider's January 8, 2019 response (Attachment D) to the Draft Audit Report disputed all the claims identified. After reviewing the Provider's response to the Draft Audit Report, the overpayments identified in this Final Audit Report remain unchanged from those cited in the Draft Audit Report (Attachment E). Pursuant to Appendix C of the Contract, and Title 18 of the Official Compilation of the Codes, Rules and Regulations of the State of New York (18 NYCRR) Parts 517 and 518, OMIG, on behalf of DOH, may recover such overpayments.

In accordance with 18 NYCRR Section 518.4, interest may be collected on any overpayments identified in this audit and will accrue at the current rate from the date of the overpayment. Interest was calculated on the overpayments identified in this Draft Audit Report from the date of each overpayment through the date of the Draft Audit Report, December 5, 2018, using the Federal Reserve Prime Rate. For the overpayments identified in this audit, OMIG has determined that accrued interest of \$4,988.17 is now owed (Attachment E).

Based on this determination, the total amount due to DOH, as defined in 18 NYCRR Section 518.1, is \$30,293.73, inclusive of interest. Therefore, the total amount due to DOH is \$30,293.73 (Attachment E).
