Background, Objective, and Audit Scope

Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes, Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes, Rules and Regulations), DOH's Medicaid Provider Manuals, *Medicaid Update* publications, and the MLTC Partial Capitation Model Contract (Contract).

Title 18 NYCRR Parts 517 and 518 and Article VI, (F) (1) of the Contract provides the OMIG, on behalf of DOH, the right to recover capitation payments paid to the Plan for enrollees listed on the monthly roster who are later determined, for the entire applicable payment month, to have been incarcerated; to have moved out of the Plan's service area; or to have died. DOH has the right to recover premiums from the Plan in instances where the enrollee was inappropriately enrolled into the plan with a retroactive effective date, or when the period was retroactively deleted. DOH always has the right to recover duplicate premiums paid for persons enrolled under more than one Client Identification Number in the Plan, whether or not the Plan has made payments to providers.

Pursuant to the Contract, Article VIII, (P) (OMIG Audit Authority), and in accordance with New York State Public Health Law Sections 30 through 36, and as authorized by federal or state laws and regulations, the OMIG may review and audit claims to determine compliance with federal and state laws and regulations and take such corrective actions as are authorized by federal or state laws and regulations.

Objective

The objective of this audit was to assess the Plan's adherence to applicable laws, regulations, rules and policies governing the New York State Medicaid program and to verify that:

- capitation payments made to the Plan for enrollees who were retroactively disenrolled from the Plan are recovered; and
- capitation payments were submitted in accordance with applicable rules and requirements

Audit Scope

This audit identified instances where capitation payments were made to the Plan for enrollees who were retroactively disenrolled from the Plan for the entire applicable payment month. This audit included capitation payments made to the Plan with retroactive disenrollment notifications reported to OMIG through June 30, 2019.

Audit Findings

OMIG issued a Draft Audit Report to the Plan on January 30, 2020 that identified \$21,352.64 in Medicaid overpayments due to capitation payments made to the Plan for enrollees who were retroactively disenrolled for the entire applicable payment month. The Plan's February 12, 2020 response (Attachment A) to the Draft Audit Report disputed three of the claims identified. After reviewing the Plan's response to the Draft Audit Report, OMIG agreed with the Plan and removed the three claims from the Final Audit Report findings. As a result, in this Final Audit Report, OMIG reduced the overpayments identified in the Draft Audit Report by \$16,069.36 (Attachment B), from \$21,352.64 to \$5,283.28. Pursuant to Article VI, (F) (1) of the Contract, and Title 18 of the Official Compilation of the Codes, Rules and Regulations of the State of New York (18 NYCRR) Parts 517 and 518, OMIG, on behalf of DOH, may recover such overpayments.

In accordance with 18 NYCRR Section 518.4, interest may be collected on any overpayments identified in this audit and will accrue at the current rate from the date of the overpayment. Interest was calculated on the overpayments identified in this Draft Audit Report from October 3, 2019 through the date of the Draft Audit Report, January 30, 2020, using the Federal Reserve Prime Rate. For the overpayments identified in this audit, OMIG has determined that accrued interest of \$82.51 (Attachment C) is now owed.

The total amount of overpayment, as defined in 18 NYCRR Section 518.1(c), is \$5,365.79, inclusive of interest. Subsequent to the issuance of the Draft Audit Report, the Plan voided claims in the amount of \$5,283.28. Based on this determination, the remaining amount due to DOH is \$82.51 (Attachment C).

Repayment Options

In accordance with 18 NYCRR Part 518, which regulates the collection of overpayments, your repayment options are described below.

OMIG acceptance of the repayment agreement is based on your repaying the Medicaid overpayment as agreed. OMIG will adjust the rate of recovery, or require payment in full, if your unpaid balance is not being repaid as agreed.
