Background, Objective, and Audit Scope

Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the NYCRR), the regulations of the Department of Mental Hygiene (Title 14 of the NYCRR), DOH's Medicaid Provider Manuals, *Medicaid Update* publications, and the MLTC Partial Capitation Program Model Contract (Contract).

In accordance with 18 NYCRR Parts 517 and 518 and pursuant to the Contract, specifically Article V O (Duplicate CINs) and Article VIII P (OMIG Audit Authority), the OMIG, on behalf of the DOH, has the right to recover premiums paid to the Plan for enrollees listed on the monthly roster who have concurrent enrollment in one or more managed care organization (MCO) under more than one CIN.

Objective

The objective of this audit was to assess the Plan's adherence to applicable laws, regulations, rules and policies governing the New York State Medicaid program and to verify that:

- the Plan is not in receipt of capitation payments for an individual who was enrolled in a different MCO under a different CIN for the same payment month; and
- · capitation payments were submitted in accordance with applicable rules and requirements.

Audit Scope

This audit identified instances where capitation payments were made to the Plan for enrollees who were concurrently enrolled in a different MCO under a different CIN, and then determined which of the concurrent capitation payments were paid inappropriately. These determinations were based on guidance provided by the New York State Department of Health, Office of Health Insurance Programs (OHIP) whereby encounter data reported by the MCO, or lack thereof, during the concurrent enrollment period was utilized to make the overpayment determination. If encounter data was inconclusive, the capitation payment will be recovered from the MCO affiliated with the CIN first closed by the local district. This audit included capitation payments made to the Plan for dates of service starting between March 1, 2014 and December 31, 2016 and continuing until the concurrent payments end.

Audit Findings

OMIG issued a Draft Audit Report to the Plan on February 20, 2020 that identified \$33,598.30 in Medicaid overpayments due to capitation payments made to the Plan for enrollees who were concurrently enrolled in a different MCO under a different CIN. The Plan's April 1, 2020 response (Attachment A) to the Draft Audit Report stated that the Plan did not dispute the Draft Audit Report findings. As a result, the overpayments identified (Attachment B) in this Final Audit Report remain unchanged from those cited in the Draft Audit Report. Pursuant to Contract Article V O and Article VIII P, and Title 18 of the Official Compilation of the Codes, Rules and Regulations of the State of New York (18 NYCRR) Parts 517 and 518, OMIG, on behalf of DOH, may recover such overpayments.

Based on this determination, the final overpayment amount, as defined in 18 NYCRR Section 518.1, is \$33,598.30. Subsequent to the issuance of the Draft Audit Report, the Plan voided claims in the amount of \$33,598.30 (Attachment B). Therefore, there is no balance due to DOH.

Hearing Rights

The Plan has the right to challenge this action and determination by requesting an administrative hearing within sixty (60) days of the date of this notice. In accordance with 18 NYCRR Section 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action."

If the Plan wishes to request a hearing, the request must be submitted in writing within sixty (60) days of the date of this notice to:

General Counsel New York State Office of the Medicaid Inspector General Office of Counsel 800 North Pearl Street Albany, New York 12204

Questions regarding the request for a hearing should be directed to Office of Counsel, at

If a hearing is held, the Plan may have a person represent it or the Plan may represent itself. If the Plan chooses to be represented by someone other than an attorney, the Plan must supply along with its hearing request a signed authorization permitting that person to represent the Plan at the hearing; the Plan may call witnesses and present documentary evidence on its behalf.

For a full listing of hearing rights please see 18 NYCRR Part 519.
