Background, Objective, and Audit Scope

Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts various audits and reviews of Medicaid providers which are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes, Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes, Rules and Regulations), DOH's Medicaid Provider Manuals, *Medicaid Update* publications, and the Contract.

Objective

The objective of this audit was to assess the Plan's adherence to the Contract, applicable laws, regulations, rules and policies governing the New York State Medicaid program and to:

- recover the Plan's reported payments made to excluded participating and non-participating providers.

Audit Scope

An audit of encounter data with dates of service in the period beginning April 1, 2015 and ending March 31, 2017 to determine if participating and/or non-participating providers excluded from participation with the New York State Medicaid Program were permitted by the Plan to participate in any activity related to furnishing medical care, services, or supplies for which costs were reported to the State, was completed.

Audit Findings

OMIG issued a Draft Audit Report to the Plan on January 29, 2020 that identified \$197,902.97 in Medicaid overpayments. After reviewing the Plan's response to the Draft Audit Report, OMIG reduced the overpayments identified in this Final Audit Report by \$36,540.46 from \$197,902.97.

OMIG has identified the following findings:

1. Plan Reported Payments Made to Participating and Non-Participating Providers that Were Excluded

Regulations state, "A person who is excluded from the program cannot be involved in any activity relating to furnishing medical care, services or supplies to recipients of medical assistance for which claims are submitted to the program or relating to claiming or receiving payment for medical care, services or supplies during the period."

18 NYCRR § 515.5(c)

Regulations state, "Providers reimbursed on a cost-related basis may not claim as allowable costs any amounts paid or credited to any person who is excluded from the program or who is in violation of any condition of participation in the program."

18 NYCRR § 515.5(d)

Contract states, "Pursuant to 42 CFR 455.436 and 42 CFR 438.610, the Contractor shall confirm the identity and determine the exclusion status of new Participating Providers, re-enrolled Participating Providers and all current Participating Providers, any subcontractors, and any person with an ownership or control interest or who is an agent or managing employee of the Participating Provider or subcontractor through routine checks of Federal and State databases..."

Contract Section 18.9(c)(i)

Contract states, "Pursuant to 42 CFR 455.436 and 42 CFR 438.610, the Contractor shall confirm the identity and determine the exclusion status of Non-Participating Providers, upon or no later than 30 days of payment of first claim through routine checks of Federal and State databases..."

Contract Section 18.9(c)(ii)

Contract states, "If SDOH excludes or terminates a provider from its Medicaid program, the Contractor shall, upon learning of such exclusion or termination, immediately terminate the Provider Agreement with the Participating Provider with respect to the Contractor's MMC and/or FHPlus product, and agrees to no longer utilize the services of the subject provider, as applicable..."

Contract Section 21.5(a)

Contract states, "If Medicaid payments are made by the Contractor to an excluded or terminated provider for dates of service after the provider's exclusion or termination effective date, the Contractor shall report and explain within 60 days of identifying the payment, in a form and format to be determined by OMIG in consultation with SDOH, when and how the payment was identified, and the date on which the encounter data was adjusted to reflect the recovery."

Contract Section 21.5(c)

As a result of this finding, OMIG has identified 2518 instance(s), totaling **\$161,362.51** (Exhibit A), where the Plan reported inappropriately made payments to excluded participating or non-participating providers.

Based on this determination, the total proposed amount due to DOH, as defined in 18 NYCRR Section 518.1, is **\$161,362.51** (Exhibit A).

**Do not submit encounter voids or adjustments in response to this Final Audit Report.
Repayment instructions are outlined on the next page.**
