Background, Objective, and Audit Scope

Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes, Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes, Rules and Regulations), DOH's Medicaid Provider Manuals, *Medicaid Update* publications, and the Medicaid Managed Care/Family Health Plus/HIV Special Needs Plan Model Contract (Contract).

In accordance with 18 NYCRR Part 518 and pursuant to the Contract, Section 3.6 (SDOH Right to Recover Premiums), Section 19.7 (OMIG Audit Authority) and Appendix H, the OMIG, on behalf of the Department, has a right to recover premiums paid to the Plan for enrollees listed on the monthly roster who are later determined to be deceased.

Objective

The objective of this audit was to assess the Plan's adherence to applicable laws, regulations, rules and policies governing the New York State Medicaid program and to identify and recover:

- capitation payments made subsequent to an enrollee's month of death

Audit Scope

This audit reviewed Medicaid Managed Care capitation payments for deceased enrollees whose dates of death were received by OMIG between August 1, 2019 and July 31, 2020.

Audit Findings

The OMIG issued a Draft Audit Report to the Plan on November 5, 2020 that identified \$57,978.54 in Medicaid overpayments for months subsequent to an enrollee's month of death. The Plan's November 16, 2020 response (Attachment A) to the Draft Audit Report stated that the Plan is in agreement with the Draft Audit Report findings. As a result, the overpayments identified (Attachment B) in this Final Audit Report remain unchanged from those cited in the Draft Audit Report. During the audit process, rate adjustments of \$26.81 occurred, increasing the overpayment to \$58,005.35. Pursuant to Section 3.6 (SDOH Right to Recover Premiums), Section 19.7 (OMIG Audit Authority) and Appendix H of the Contract, and Title 18 of the NYCRR Parts 517 and 518, OMIG, on behalf of DOH, may recover such overpayments.

Based on this determination, the total amount due to DOH, as defined in 18 NYCRR Section 518.1, is \$58,005.35, inclusive of rate adjustments (Attachment B). Subsequent to the issuance of the Draft Audit Report, the Plan voided claims in the amount of \$56,782.72. Therefore, the remaining amount due to DOH is \$1,222.63 (Attachment B).

Repayment Options

In accordance with 18 NYCRR Part 518, which regulates the collection of overpayments, your repayment options are described below.

Option #2: Enter into a repayment agreement with OMIG. If your repayment terms exceed 90 days from the date of the Final Audit Report, recoveries of amounts due are subject to interest charges at the prime rate plus 2%. OMIG's acceptance of a repayment agreement is based on your repaying the Medicaid overpayment as agreed. OMIG will adjust the rate of recovery, or require payment in full, if your unpaid balance is not being repaid as agreed. If you wish to enter into a repayment agreement, please contact the Bureau of Collections Management within 20 days, by telephone or email, as provided above.

Should you fail to select a payment option above within 20 days of the date of this Report, OMIG will initiate recoupment by withholding all or a part of your payments otherwise payable, in accordance with 18 NYCRR 518.6. Additionally, OMIG reserves the right to use any remedy allowed by law to collect the amount due. Pursuant to the State Finance Law Section 18(5), a collection fee equal to twenty two percent (22%) of the amount due, including interest, may be added to the amount owed.

Hearing Rights

The Plan has the right to challenge this action and determination by requesting an administrative hearing within sixty (60) days of the date of this notice. In accordance with 18 NYCRR 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action."
