## Background, Objective, and Audit Scope

---

### Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes, Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes, Rules and Regulations), DOH's Medicaid Provider Manuals, *Medicaid Update* publications, and the Medicaid Managed Care/Family Health Plus/HIV Special Needs Plan Model Contract (Contract).

In accordance with 18 NYCRR Part 518 and pursuant to the Contract, Section 3.6 (SDOH Right to Recover Premiums), Section 19.7 (OMIG Audit Authority) and Appendix H, the OMIG, on behalf of the Department, has a right to recover premiums paid to the Plan for enrollees listed on the monthly roster who are later determined to be deceased.

### Objective

The objective of this audit was to assess the Plan's adherence to applicable laws, regulations, rules and policies governing the New York State Medicaid program and to identify and recover:

- capitation payments made subsequent to an enrollee's month of death

### Audit Scope

This audit reviewed Medicaid Managed Care capitation payments for deceased enrollees whose dates of death were received by OMIG between August 1, 2019 and July 31, 2020.

**Audit Findings**

---

The OMIG issued a Draft Audit Report to the Plan on November 5, 2020 that identified \$41,105.12 in Medicaid overpayments for months subsequent to an enrollee's month of death. The Plan's November 16, 2020 response (Attachment A) to the Draft Audit Report disputed two of the claims identified. After reviewing the Plan's response to the Draft Audit Report, the overpayments identified (Attachment B) in this Final Audit Report remain unchanged from those cited in the Draft Audit Report. During the audit process, rate adjustments of \$207.96 occurred, increasing the overpayment to \$41,313.08. Pursuant to Section 3.6 (SDOH Right to Recover Premiums), Section 19.7 (OMIG Audit Authority) and Appendix H of the Contract, and Title 18 of the NYCRR Parts 517 and 518, OMIG, on behalf of DOH, may recover such overpayments.

Based on this determination, the total amount due to DOH, as defined in 18 NYCRR Section 518.1, is \$41,313.08, inclusive of rate adjustments (Attachment B). Subsequent to the issuance of the Draft Audit Report, the Plan voided claims in the amount of \$41,313.08. Therefore, there is no remaining amount due to DOH (Attachment B).

## Hearing Rights

In accordance with 18 NYCRR 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action."

If the Plan wishes to request a hearing, the request must be submitted in writing within sixty (60) days of the date of this notice to:

General Counsel

Questions regarding the request for a hearing should be directed to Office of Counsel, at [REDACTED]

If a hearing is held, the Plan may have a person represent it or the Plan may represent itself. If the Plan chooses to be represented by someone other than an attorney, the Plan must supply along with its hearing request a signed authorization permitting that person to represent the Plan at the hearing; the Plan may call witnesses and present documentary evidence on its behalf.
