## Background, Objective, and Audit Scope

---

### Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes Rules and Regulations), DOH's Medicaid Provider Manuals and *Medicaid Update* publications.

### Objective

The objective of this audit was to determine whether Buffalo Center for Rehabilitation and Nursing's (Provider), formerly Delaware Nursing and Rehabilitation Center, Medicaid rates for services complied with applicable Federal and State laws, regulations, rules, and policies governing the New York State Medicaid program and to verify that:

- the data reported by the Provider and used in the establishment of the Medicaid rates was accurate and proper;
- the underlying costs used in the rate calculation were necessary, proper, and related to patient care given by the Provider;
- the Provider and/or patient related records contained the documentation required by the regulations; and,
- the expenses and associated rates of payment were submitted in accordance with DOH regulations and the appropriate Provider and Reporting Manuals.

### Audit Scope

An audit of Medicaid rates paid to the Provider from January 1, 2014 through December 31, 2018 was completed.

The audit consisted of a review of records that support the capital portion of its Report of Residential Health Care Facility (RHCF-4) cost report for each of the calendar years January 1, 2012 through December 31, 2016. These reports are the basis for the capital portion of the Provider's January 1, 2014 through December 31, 2018 Medicaid rates. Other capital costs and per diem adjustments in these rates, which were based upon subsequent RHCF-4 reports or other sources of information, were also subject to audit.

## Audit Findings

---

OMIG issued a Draft Audit Report to the Provider on August 19, 2020 that identified a \$253,749 Medicaid overpayment. The Provider's October 15, 2020 response (Attachment E) to the Draft Audit Report disputed specific audit findings. After reviewing the Provider's response to the Draft Audit Report, consideration of the Provider's comments resulted in a reduction of the overpayments identified in the Draft Audit Report by \$80,687, from \$253,749 to \$173,062. OMIG's findings appear in Attachments A through D. The attachments present the Medicaid impact, promulgated Medicaid rates subject to audit, compilation of audit findings including a description of each, as well as supporting regulations. Based on the attached audited rates calculated by Bureau of Residential Health Care Reimbursement, the Medicaid overpayment currently due is \$173,062. This overpayment is subject to Department of Health (DOH) and Division of Budget (DOB) final approval. While not anticipated, any difference between the calculated overpayment and the final DOH and DOB approved amount will be resolved with the Provider by OMIG Bureau of Collections Management.

## Repayment Options

---

In accordance with 18 NYCRR Part 518, which regulates the collection of overpayments, your repayment options are described below.

**Option #1:** Make a full payment by check, money order, or OMIG's Online Payment Portal within 20 days of the date of the Final Audit Report.

- The check should be made payable to the New York State Department of Health, should include the audit number on the memo line, and be mailed with the attached remittance advice to:

New York State Office of the Medicaid Inspector General  
Bureau of Collections Management

- If you elect to pay electronically through OMIG's Online Payment Portal, please visit [REDACTED] or contact OMIG's Bureau of Collections Management by telephone or email, at the above number or address.

**Option #2:** Enter into a repayment agreement with OMIG. If your repayment terms exceed 90 days from the date of the Final Audit Report, recoveries of amounts due are subject to interest charges at the prime rate plus 2%. OMIG's acceptance of a repayment agreement is based on your repaying the Medicaid overpayment as agreed. OMIG will adjust the rate of recovery, or require payment in full, if your unpaid balance is not being repaid as agreed. If you wish to enter into a repayment agreement, please contact the Bureau of Collections Management within 20 days, by telephone or email, as provided above.

Should you fail to select a payment option above within 20 days of the date of this Report, OMIG will initiate recoupment by withholding all or a part of your payments otherwise payable, in accordance with 18 NYCRR 518.6. Additionally, OMIG reserves the right to use any remedy allowed by law to collect the amount due. Pursuant to the State Finance Law Section 18(5), a collection fee equal to twenty two percent (22%) of the amount due, including interest, may be added to the amount owed.

## Hearing Rights

---

The Provider has the right to challenge this action and determination by requesting an administrative hearing within 60 days of the date of this notice. In accordance with 18 NYCRR Section 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action."

If the Provider wishes to request a hearing, the request must be submitted in writing to:

General Counsel  
New York State  
Office of the Medicaid Inspector General  
Office of Counsel  
800 North Pearl Street  
Albany, New York 12204

Questions regarding the request for a hearing should be directed to Office of Counsel, at [REDACTED]

If a hearing is held, the Provider may have a person represent it or the Provider may represent itself. If the Provider chooses to be represented by someone other than an attorney, the Provider must supply along with its hearing request a signed authorization permitting that person to represent the Provider at the hearing; the Provider may call witnesses and present documentary evidence on its behalf.

For a full listing of hearing rights please see 18 NYCRR Part 519.
