Dear [REDACTED] Dr. Lanza:

In accordance with the New York State Public Health Law, and Title 18 of the Official Compilation of the Codes, Rules and Regulations of the State of New York (NYCRR) Parts 504 and 517, OMIG performed an audit of the attestation submitted by Dr. Lanza (Provider), signed March 19, 2018, for the adoption, implementation, or upgrade (A/I/U) to a certified EHR system during the calendar year ending December 31, 2016. An EHR incentive payment of \$21,250 was made for the submitted attestation. The purpose of the audit is to ensure compliance with applicable Federal and State laws, regulations, rules, and policies governing the New York State Medicaid EHR Incentive Program, including verification of eligibility for the EHR Incentive Program and the adoption, implementation, or upgrade (A/I/U) to a certified EHR system.

The OMIG has determined that Wyckoff Professional Medical Services (Payee NPI #: 1659710796) received the above referenced incentive payment on behalf of the Provider, and in accordance with 18 NYCRR 518.3, repayment of the overpayment is being required from Wyckoff Professional Medical Services .

If you have any questions or comments concerning this Final Audit Report, please contact [REDACTED] or through email at [REDACTED]. Please refer to audit number 19-6292 in all correspondence.

## Background, Objective, and Audit Scope

---

### Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes Rules and Regulations), the regulations of the Education Department (Title 8 of the New York Codes Rules and Regulations), DOH's Medicaid Provider Manuals and *Medicaid Update* publications.

Medicaid EHR Incentive payments were authorized by the American Recovery and Reinvestment Act of 2009 (Public Law 111-5), and implemented by Federal regulation principally at 42 CFR Part 495. Through the NYS Medicaid EHR Incentive Program, eligible hospitals (EH) and eligible professionals (EP) in New York who adopt, implement, or upgrade certified EHR technology, and subsequently become meaningful users of the EHR technology, may qualify for financial incentives.

### Objective

The objective of this audit was to assess the Provider's adherence to the applicable Federal and State laws, regulations, rules, and policies governing the New York State Medicaid EHR Incentive Program, including verification of eligibility for the EHR Incentive Program and the adoption, implementation, or upgrade (A/I/U) to a certified EHR system.

### Audit Scope

This audit examined the supporting documentation for the Provider's submitted attestation, signed March 19, 2018, regarding payment for the adoption, implementation, or upgrade (A/I/U) to a certified EHR system during the calendar year ending December 31, 2016.

---

The following are applicable Laws, Regulations, Rules and Policies of the Medicaid program referenced when conducting this audit:

a period of not less than six years from the date of payment; and that the provider understands that payment and satisfaction of this claim will be from Federal, State and local public funds and that he or she may be prosecuted under applicable Federal and State laws for any false claims, statements or documents, or concealment of a material fact provided.

*18 NYCRR Section 540.7(a)(1)-(3) and (8)*

*18 NYCRR Section 518.3(b)*

“The inspector shall have the following functions, duties and responsibilities:...(9) to require and compel the production of such books, papers, records and documents as he or she may deem to be relevant or material to an investigation, examination or review undertaken pursuant to this section...”

*Public Health Law §32(9)*

During enrollment in the NYS EHR Incentive Program each provider attested to the following: “I hereby agree to keep such records as are necessary to demonstrate that I met all Medicaid EHR Incentive Program requirements...failure to furnish subsequently requested information or documents will result in the issuance of an overpayment demand letter followed by recoupment procedures.”

*NYS EHR Incentive Program Attestation*

## Audit Findings

---

After reviewing your response to the OMIG's June 10, 2021 Draft Audit Report, the overpayment in the Final Audit Report remains unchanged to the overpayment identified in the Draft Audit Report.

The OMIG's review of your payment for the Medicaid EHR Incentive Program identified at least one error, for a total overpayment of \$21,250. In addition, OMIG has determined that Wyckoff Professional Medical Services received the incentive payment on behalf of the Provider, and in accordance with 18 NYCRR 518.3, repayment of the overpayment is being required from the Wyckoff Professional Medical Services. The errors identified in the audit are described in the Detailed Findings below.

### Hospital Based Practitioner

*"Additional requirements for the Medicaid EP. To qualify for an EHR incentive payment, a Medicaid EP must, for each year for which the EP seeks an EHR incentive payment, not be hospital-based as defined at §495.4 of this subpart..."* 42 CFR § 495.304(c)

*"Hospital-based EP. Unless it meets the requirements of § 495.5, a hospital-based EP means an EP who furnishes 90 percent or more of his or her covered professional services in sites of service identified by the codes used in the HIPAA standard transaction as an inpatient hospital or emergency room setting in the year preceding the payment year ..."* 42 CFR § 495.4

For the 2016 payment year, the Provider failed to produce documentation upon audit to demonstrate that less than 90% of his/her covered professional services occurred in a hospital setting in the year preceding the payment year as required by federal regulations and, therefore, was not eligible to receive an incentive payment for that year.

## Repayment Options

---

In accordance with 18 NYCRR Part 518, which regulates the collection of overpayments, your repayment options are described below.

**Option #1:** Make a full payment by check, money order, or OMIG's Online Payment Portal within 20 days of the date of the Final Audit Report.

- The check should be made payable to the New York State Department of Health, should include the audit number on the memo line, and be mailed with the attached remittance advice to:

Bureau of Collections Management  
800 North Pearl Street

- If you elect to pay electronically through OMIG's Online Payment Portal, please visit [REDACTED] or contact OMIG's Bureau of Collections Management by telephone or email, at the above number or address.

**Option #2:** Enter into a repayment agreement with OMIG. If your repayment terms exceed 90 days from the date of the Final Audit Report, recoveries of amounts due are subject to interest charges at the prime rate plus 2%. OMIG's acceptance of a repayment agreement is based on your repaying the Medicaid overpayment as agreed. OMIG will adjust the rate of recovery, or require payment in full, if your unpaid balance is not being repaid as agreed. If you wish to enter into a repayment agreement, please contact the Bureau of Collections Management within 20 days, by telephone or email, as provided above.

Should you fail to select a payment option above within 20 days of the date of this Report, OMIG will initiate recoupment by withholding all or a part of your payments otherwise payable, in accordance with 18 NYCRR 518.6. Additionally, OMIG reserves the right to use any remedy allowed by law to collect the amount due. Pursuant to the State Finance Law Section 18(5), a collection fee equal to twenty two percent (22%) of the amount due, including interest, may be added to the amount owed.
