Re: Final Audit Report
Audit #: 21-1791
Provider #: 02191582

Dear

This letter constitutes the Office of the Medicaid Inspector General's (OMIG) Final Audit Report of Amida Care, Inc. (Plan).

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes, Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes, Rules and Regulations), DOH's Medicaid Provider Manuals, *Medicaid Update* publications, and the Medicaid Managed Care/Family Health Plus/HIV Special Needs Plan Model Contract (Contract).

The objective of this audit was to assess the Plan's adherence to applicable laws, regulations, rules and policies governing the New York State Medicaid program and to identify and recover:

- enhanced nursing home capitation payments (Rate Codes 1821-1826) made to the Plan when the appropriate rate code should have been the standard rate (Rate Codes 2205, 2209); and
- identify instances where the Plan failed to submit bill adjustments for improperly paid claims.

After reviewing the Plan's April 29, 2021 response to OMIG's March 11, 2021 Draft Audit Report, OMIG has determined that for the period and scope reviewed, the Plan generally adhered to applicable Medicaid billing rules and regulations. OMIG has concluded that no further action is required pertaining to this audit.

The Plan has the right to challenge this action and determination by requesting an administrative hearing within sixty (60) days of the date of this notice. In accordance with 18 NYCRR Section 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action." If the Plan wishes to request a hearing, the request must be submitted in writing within sixty (60) days of the date of this notice to:
