Background, Objective, and Audit Scope

Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes Rules and Regulations), the regulations of the Office of Mental Hygiene (Title 14 of the New York Codes Rules and Regulations), DOH's Medicaid Provider Manuals and *Medicaid Update* publications.

The OMIG performed an audit of Medicaid claims with dates of service after a Medicaid recipient's date of death. This review matched the recipient's Medicaid payment history against Medicaid death records and New York State Vital Statistics death records.

To accomplish this review, Medicaid claims with dates of service after a recipient's date of death with payment dates from January 1, 2013 through December 31, 2016 were reviewed.

Objective

The objective of this audit was to assess the Provider's adherence to applicable laws, regulations, rules, and policies governing the New York State Medicaid program and to:

- Determine if the Provider improperly billed for services after a Medicaid recipient's date of death;
- Match recipient's Medicaid payment history against Medicaid Death Records and New York State Vital Statistics Death Records;
- Determine if claims for payment were submitted in accordance with applicable rules and requirements.

Audit Scope

An audit of Medicaid claims paid with dates of service after a Medicaid recipient's date of death with payment dates in the period beginning January 1, 2013 through December 31, 2016 was completed.

Please note that due to the implementation of the National Provider Identifier (NPI) on September 1, 2008, there may be multiple Provider Identification Numbers associated with the Primary Provider Identification Number. The NPI is linked to the Primary Provider Identification Number. The Primary Provider Identification Number is used for correspondence and recoupment.

Audit Findings

OMIG issued a Draft Audit Report to the Provider on December 12, 2018 that identified $2,172.71 in Medicaid overpayments. After reviewing the Provider's response to the Draft Audit Report, the overpayments identified in this Final Audit Report remain unchanged from those cited in the Draft Audit Report.

OMIG identified the following findings:

As a result of this finding, OMIG has determined that **$1,898.67** (Attachment 1) was inappropriately billed to Medicaid, resulting in Medicaid overpayments.

Pursuant to 18 NYCRR Parts 517 and 518, OMIG, on behalf of DOH, may recover such overpayments. In accordance with 18 NYCRR Section 518.4, interest may be collected on any overpayments identified in this audit and will accrue at the current rate from the date of the overpayment. Interest was calculated on the overpayments identified in this Audit Report from the date of each overpayment through the date of the Audit Report, using the Federal Reserve Prime Rate. For the overpayments identified in this audit, OMIG has determined that accrued interest of **$274.04** (Attachment 1) is now owed.

Based on this determination, the total amount due to DOH, as defined in 18 NYCRR Section 518.1 is **$2,172.71** (Attachment 1), inclusive of interest.

Do not submit claim voids or adjustments in response to this Final Audit Report. Repayment instructions are outlined on the next page.
