Background, Objective, and Audit Scope

Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes, Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes, Rules and Regulations), DOH's Medicaid Provider Manuals, *Medicaid Update* publications, and the Medicaid Managed Care/Family Health Plus/HIV Special Needs Plan Model Contract (Contract).

In accordance with 18 Parts 517 and 518 and pursuant to the Contract, specifically Section 3.6 (SDOH Right to Recover Premiums), Section 19.7 (OMIG Audit Authority) and Appendix H, the OMIG, on behalf of DOH, has the right to recover premiums paid to the Plan for enrollees listed on the monthly roster who are later determined to have been ineligible for the entire applicable payment month.

Objective

The objective of this audit was to assess the Plan's adherence to applicable laws, regulations, rules and policies governing the New York State Medicaid program and to identify and recover:

- capitation payments made to the Plan for an enrollee who was incarcerated for an entire payment month.

Audit Scope

This audit reviewed Medicaid Managed Care capitation payments for incarcerated enrollees whose incarceration data was received by OMIG between January 1, 2020 and March 1, 2021.

Audit Findings

The OMIG issued a Draft Audit Report to the Plan on December 9, 2021 that identified \$505,396.29 in Medicaid overpayments for managed care enrollees that were determined to be incarcerated for a full payment month. The Plan's January 13, 2022 response (Attachment A) to the Draft Audit Report disputed a portion of the claims identified. After reviewing the Plan's response to the Draft Audit Report, OMIG partially agreed with the Plan and removed seven claims from the Final Audit Report findings. As a result, in this Final Audit Report, OMIG reduced the overpayments identified in the Draft Audit Report by \$11,726.62 (Attachment B), from \$505,396.29 to \$493,669.67 (Attachment C). During the audit process, rate adjustments occurred increasing the overpayment amount by \$9.10, from \$493,669.67 to \$493,678.77 (Attachment C). Pursuant to Sections 3.6 and 19.7, and Appendix H of the Contract, and Title 18 of the NYCRR Parts 517 and 518, OMIG, on behalf of DOH, may recover such overpayments.

Based on this determination, the total amount due to DOH, as defined in 18 NYCRR Section 518.1, is \$493,678.77 (Attachment C), inclusive of rate adjustments. Subsequent to the issuance of the Draft Audit Report, the Plan voided claims in the amount of \$432,859.09. Therefore, the remaining amount due to DOH is \$60,819.68 (Attachment C).

Do not submit claim voids or adjustments in response to this Final Audit Report. Repayment instructions are outlined on the next page.

OMIG's acceptance of a repayment agreement is based on your repaying the Medicaid overpayment as agreed. OMIG will adjust the rate of recovery, or require payment in full, if your unpaid balance is not being repaid as agreed. If you wish to enter into a repayment agreement, please contact the Bureau of Collections Management within 20 days, by telephone or email, as provided above.

Should you fail to select a payment option above within 20 days of the date of this Report, OMIG will initiate recoupment by withholding all or a part of your payments otherwise payable, in accordance with 18 NYCRR 518.6. Additionally, OMIG reserves the right to use any remedy allowed by law to collect the amount due. Pursuant to the State Finance Law Section 18(5), a collection fee equal to twenty two percent (22%) of the amount due, including interest, may be added to the amount owed.

In accordance with 18 NYCRR 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action."
