Background, Objective, and Audit Scope

Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes, Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes, Rules and Regulations), DOH's Medicaid Provider Manuals, *Medicaid Update* publications, and the Medicaid Managed Care/Family Health Plus/HIV Special Needs Plan Model Contract (Contract).

Section 3.6, Section 19.7 and Appendix H of the Contract provides OMIG, on behalf of DOH, the right to recover capitation payments paid to the Plan for enrollees listed on the monthly roster who are later determined, for the entire applicable payment month, to have been in an institution; to have been incarcerated; to have moved out of the Plan's service area; to have died; are simultaneously in receipt of comprehensive health care coverage from a managed care organization (MCO) and are enrolled in the Medicaid managed care product of the same MCO; or have been enrolled without their consent, in addition to other scenarios. DOH always has the right to recover duplicate capitation payments made under more than one Client Identification Number whether or not the Plan has made payments to providers.

Objective

The objective of this audit was to assess the Plan's adherence to applicable laws, regulations, rules, and policies governing the New York State Medicaid program and to verify that:

- capitation payments made to the Plan for enrollees who were retroactively disenrolled from the Plan are recovered; and
- capitation payments were submitted in accordance with applicable rules and requirements.

Audit Scope

This audit identified instances where capitation payments were made to the Plan for enrollees who were retroactively disenrolled from the Plan for the entire applicable payment month. This audit included capitation payments made to the Plan with retroactive disenrollment notifications reported to OMIG through June 30, 2021.

Audit Findings

OMIG issued a Draft Audit Report to the Plan on March 31, 2022, that identified \$70,995.83 in Medicaid overpayments due to capitation payments made to the plan for enrollees who were disenrolled for the entire applicable payment month. The Plan's May 5, 2022, response (Attachment A) to the Draft Audit Report stated that the Plan is in agreement with the Draft Audit Report findings. As a result, the overpayments identified (Attachment B) in this Final Audit Report remain unchanged from those cited in the Draft Audit Report. During the course of the audit, multiple rate adjustments occurred increasing the overpayment by \$22.92 from \$70,995.83 to \$71,018.75 (Attachment B). Pursuant to Section 3.6, Section 19.7 and Appendix H of the Contract, and Title 18 of the Official Compilation of the Codes, Rules, and Regulations of the State of New York (18 NYCRR) Parts 517 and 518, OMIG, on behalf of DOH, may recover such overpayments.

In accordance with 18 NYCRR Section 518.4, interest may be collected on any overpayments identified in this audit and will accrue at the current rate from the date of the overpayment. Interest was calculated on the overpayments identified in this Final Audit Report from October 28, 2021, through the date of the Draft Audit Report, March 31, 2022, using the Federal Reserve Prime Rate. For the overpayment identified in this audit, OMIG has determined that accrued interest of \$432.63 (Attachment B) is now owed.

The total amount of overpayment, as defined in 18 NYCRR Section 518.1, is \$71,451.38, inclusive of rate adjustments and interest. Subsequent to the issuance of the Draft Audit Report, the Plan voided claims in the amount of \$71,018.75. Based on this determination, the remaining amount due to DOH is \$432.63 (Attachment B).

Do not submit claim voids or claim adjustments in response to this Final Audit Report. Repayment instructions are outlined on the next page.

Repayment Options

In accordance with 18 NYCRR Part 518, which regulates the collection of overpayments, your repayment options are described below.

OMIG will adjust the rate of recovery, or require payment in full, if your unpaid balance is not being repaid as agreed. If you wish to enter into a repayment agreement, please contact the Bureau of Collections Management within 20 days, by telephone or email, as provided above.

Should you fail to select a payment option above within 20 days of the date of this Report, OMIG will initiate recoupment by withholding all or a part of your payments otherwise payable, in accordance with 18 NYCRR 518.6. Additionally, OMIG reserves the right to use any remedy allowed by law to collect the amount due. Pursuant to the State Finance Law Section 18(5), a collection fee equal to twenty two percent (22%) of the amount due, including interest, may be added to the amount owed.
