Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes, Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes, Rules and Regulations), DOH's Medicaid Provider Manuals, *Medicaid Update* publications, and the Medicaid Managed Care/Family Health Plus/HIV Special Needs Plan Model Contract (Contract).

The New York State Medicaid Program pays a monthly capitation payment per enrollee to Managed Care Organizations (MCO) based on the services included in the MCO's benefit package. The MCO in turn reimburses the network providers and/or subcontractors who render these services.

Objective

The objective of this audit was to assess the Provider's adherence to applicable laws, regulations, rules and policies governing the New York State Medicaid program and to verify that:

- the Provider did not bill fee-for-service Medicaid while the newborn was enrolled in Medicaid Managed Care; and
- newborn birth payments were submitted in accordance with applicable rules and requirements.

"When the department has determined that any person has submitted or caused to be submitted claims for medical care, services or supplies for which payment should not have been made, it may require repayment of the amount determined to have been overpaid."

18 NYCRR 518.1(b)

"An overpayment includes any amount not authorized to be paid under the medical assistance program, whether paid as the result of inaccurate or improper cost reporting, improper claiming, unacceptable practices, fraud, abuse or mistake."

18 NYCRR 518.1(c)

"The department may require repayment from the person submitting an incorrect or improper claim, or the person causing such claim to be submitted, or the person receiving payment for the claim."

18 NYCRR 518.3(a)

"Newborns born to women receiving medical assistance on the date of birth are automatically eligible for Medicaid for one year. If the mother is enrolled in a Medicaid Managed Care plan (MMCP), the newborn will be enrolled in the same plan from the date of birth… The only exceptions to the automatic enrollment of a newborn into the same MMCP as the mother are when the newborn receives comprehensive third party health insurance (TPHI). In this case, the child will be disenrolled to fee-for-service Medicaid."

NYS DOH Medicaid Update, January 2013 Vol. 29, No. 2

"Newborns born to women receiving medical assistance on the date of birth are automatically eligible for Medicaid for one year. If the mother is enrolled in a Medicaid Managed Care plan (MMCP), the newborn will be enrolled in the same plan from the date of birth. If the mother is enrolled in the Medicaid Managed Care Organization's Health and Recovery Plan (HARP), the newborn will be automatically enrolled in the sister mainstream Medicaid Managed Care product. The only exception to the automatic enrollment of a newborn into the same MMCP as the mother is when the newborn receives comprehensive third party health insurance (TPHI). In this case, the child will be disenrolled to Fee-For-Service (FFS) Medicaid."

NYS DOH Medicaid Update, September 2016 Vol. 32, No. 9

"The Contractor shall receive a capitation payment from the first day of the newborn's month of birth and, in instances where the Contractor pays the hospital or birthing center for the newborn stay, a Supplemental Newborn Capitation Payment."

Medicaid Managed Care/Family Health Plus Contract/HIV Special Needs Plan Model Contract – Section 3.9 (b)

"The Contractor cannot bill for a Supplemental Newborn Capitation Payment unless the newborn hospital or birthing center payment has been paid by the Contractor."

Medicaid Managed Care/Family Health Plus Contract/HIV Special Needs Plan Model Contract – Section 3.9 (d)

Audit Scope

This audit identified instances where the Provider received a fee-for-service Medicaid payment (Rate Code 2946 or 2996) while the newborn was enrolled in Medicaid Managed Care and the MCO received a supplemental newborn capitation payment (Rate Code 2298), indicating the Provider was either eligible for or did receive a payment from the MCO related to the newborn's birth. This audit included payments made to the Provider for dates of service beginning July 1, 2015 and ending December 31, 2018.

Audit Findings

OMIG issued a Draft Audit Report to the Provider on June 3, 2021, that identified $27,992.39 in inappropriately billed Medicaid fee-for-service claims for newborns enrolled in Medicaid Managed Care. OMIG determined that the Provider is entitled to Graduate Medical Education (GME) payments of $6,068.69. Based on this determination, the findings in the Draft Audit Report totaled $21,923.70. The Provider's August 4, 2022, response (Attachment A) to the Draft Audit Report stated that the Provider is in agreement with the Draft Audit Report findings. As a result, the overpayments identified (Attachment B) in this Final Audit Report remain unchanged from those cited in the Draft Audit Report. Pursuant to Title 18 of the Official Compilation of the Codes, Rules and Regulations of the State of New York (18 NYCRR) Parts 517 and 518, OMIG, on behalf of DOH, may recover such overpayments.

In accordance with 18 NYCRR Section 518.4, interest may be collected on any overpayments identified in this audit and will accrue at the current rate from the date of the overpayment. Interest on the overpayments identified in this Final Audit Report was calculated from the date of each overpayment through the date of the Draft Audit Report, June 3, 2021, using the Federal Reserve Prime Rate. For the overpayments identified in this audit, OMIG has determined that accrued interest of $4,647.63 (Attachment B) is now owed.

Based on this determination, the amount due to DOH, as defined in 18 NYCRR Section 518.1 is $26,571.33 (Attachment B), inclusive of interest.

Do not submit claim voids or claim adjustments in response to this Final Audit Report. Repayment instructions are outlined on the next page.

Additionally, OMIG reserves the right to use any remedy allowed by law to collect the amount due. Pursuant to the State Finance Law Section 18(5), a collection fee equal to twenty two percent (22%) of the amount due, including interest, may be added to the amount owed.
