RE: Audit Summation  
Audit #: 22-1230  
Provider #: [REDACTED]

Dear [REDACTED]

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes Rules and Regulations), DOH's Medicaid Provider Manuals and *Medicaid Update* publications.

An audit of OPWDD IRA Residential Habilitation claims paid by Medicaid to Herkimer Co Chap Nysarc Spv (Provider) from March 1, 2016 through June 30, 2018, was completed. The objective of the audit was to assess the Provider's adherence to applicable laws, regulations, rules and policies governing the New York State Medicaid program and to verify that: Medicaid reimbursable services were rendered for the dates billed; appropriate rate codes were billed for services rendered; recipient related records contained the documentation required by the regulations; and, claims for payment were submitted in accordance with applicable rules and requirements. Our audit revealed that, for the period and scope reviewed, the Provider generally adhered to applicable Medicaid billing rules and regulations.

Please be advised that pursuant to 18 NYCRR Section 517.3(h) OMIG hereby concludes its review related to the above-referenced audit objective and scope. OMIG has determined that no further action is warranted. OMIG reserves the right to conduct further reviews of your participation in the Medicaid program, take action where appropriate, and recover any associated overpayments.

If you have any questions, please contact [REDACTED] at [REDACTED] or through email at [REDACTED] and refer to audit number 22-1230 in all correspondence.
