Background, Objective, and Audit Scope

Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes, Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes, Rules and Regulations), DOH's Medicaid Provider Manuals, *Medicaid Update* publications, and the Medicaid Managed Long Term Care Partial Capitation Model Contract (Contract).

In accordance with 18 NYCRR Part 518 and pursuant to the Contract, Article VI, F (1) (Department Right to Recover Premiums) and Article VIII, O (OMIG Audit Authority), the OMIG, on behalf of the Department, has a right to recover premiums paid to the Plan for enrollees listed on the monthly roster who are later determined to be deceased.

Objective

The objective of this audit is to assess the Plan's adherence to applicable laws, regulations, rules and policies governing the New York State Medicaid program and to identify and recover:

- capitation payments made subsequent to an enrollee's month of death

Audit Scope

This audit reviewed Medicaid Managed Care capitation payments for deceased enrollees whose dates of death were received by OMIG between September 1, 2021 and March 31, 2024.

Audit Findings

The OMIG issued a Draft Audit Report to the Plan on November 14, 2024, that identified \$22,901.45 in Medicaid overpayments for months subsequent to an enrollee's month of death. The Plan's November 25, 2024, response (Attachment A) to the Draft Audit Report disputed five of the claims identified. After reviewing the Plan's response to the Draft Audit Report, OMIG partially agreed with the Plan and removed three claims from the Final Audit Report findings. As a result, in this Final Audit Report, OMIG reduced the overpayments identified in the Draft Audit Report by \$13,740.87 (Attachment B), from \$22,901.45 to \$9,160.58 (Attachment C). Pursuant to Articles VI and VIII of the Contract, and Title 18 of the NYCRR Parts 517 and 518, OMIG, on behalf of DOH, may recover such overpayments.

Based on this determination, the total amount due to DOH, as defined in 18 NYCRR Section 518.1, is \$9,160.58 (Attachment C). Subsequent to the issuance of the Draft Audit Report, the Plan voided claims in the amount of \$9,160.58. Therefore, there is no remaining amount due to DOH (Attachment C).

Hearing Rights

The Plan has the right to challenge this action and determination by requesting an administrative hearing within sixty (60) days of the date of this notice. In accordance with 18 NYCRR 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action."

If the Plan wishes to request a hearing, the request must be submitted in writing within sixty (60) days of the date of this notice to:

General Counsel
New York State
Office of the Medicaid Inspector General
Office of Counsel
800 North Pearl Street

Questions regarding the request for a hearing should be directed to Office of Counsel, at [REDACTED].

If a hearing is held, the Plan may have a person represent it or the Plan may represent itself. If the Plan chooses to be represented by someone other than an attorney, the Plan must supply along with its hearing request a signed authorization permitting that person to represent the Plan at the hearing; the Plan may call witnesses and present documentary evidence on its behalf.

For a full listing of hearing rights please see 18 NYCRR Part 519.
