## Background, Objective, and Audit Scope

---

### Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes, Rules and Regulations), the regulations of the Department of Mental Hygiene (Title 14 of the New York Codes, Rules and Regulations), DOH's Medicaid Provider Manuals, *Medicaid Update* publications, and the Medicaid Managed Care/Family Health Plus/HIV Special Needs Plan/Health and Recovery Plan Model Contract (Contract).

Pursuant to Social Security Act (SSA) Section 1903(r)(3), the federal government requires states to have in operation an eligibility determination system which provides for data matching through the Public Assistance Reporting Information System (PARIS), including matching with medical assistance programs operated by other States. PARIS is a system for matching data for the purposes of maintaining program integrity and detecting improper capitation payments for individuals receiving public assistance in more than one state.

In accordance with Title 18 NYCRR Part 518, and pursuant to the Contract, Section 3.6 (SDOH Right to Recover Premiums), Section 19.7 (OMIG Audit Authority) and Appendix H, the OMIG, on behalf of DOH, has the right to recover capitation payments paid to the Plan for enrollees who are later determined, for the entire applicable payment month, to have been residing and receiving public assistance in a state other than New York State.

### Objective

The objective of this audit was to assess the Plan's adherence to applicable laws, regulations, rules, and policies governing the New York State Medicaid program and to identify and recover:

- capitation payments made to the Plan for enrollees who have been residing and receiving Medicaid in a state other than New York State

### Audit Scope

This audit identified instances where capitation payments were made to the Plan for enrollees who were residing and receiving Medicaid in a state other than New York State for an entire applicable payment month. This audit included capitation payments made to the Plan for enrollees identified by PARIS Medicaid Interstate Matches between dates of service 01/01/2019 and 12/31/2019.

## Audit Findings

---

OMIG issued a Draft Audit Report to the Plan on October 31, 2024, that identified \$48,090.86 in Medicaid overpayments due to capitation payments made to the Plan for enrollees who were residing and receiving Medicaid in a state other than New York State for the entire applicable payment month. The Plan's November 27, 2024, response (Attachment A) to the Draft Audit Report stated that the Plan is in agreement with the Draft Audit Report findings. As a result, the overpayments identified (Attachment B) in this Final Audit Report remain unchanged from those cited in the Draft Audit Report. Pursuant to Section 3.6 (SDOH Right to Recover Premiums), Section 19.7 (OMIG Audit Authority) and Appendix H of the Contract, and Title 18 of the Official Compilation of the Codes, Rules and Regulations of the State of New York (18 NYCRR) Parts 517 and 518, OMIG, on behalf of DOH, may recover such overpayments.

Based on this determination, the total amount due to DOH, as defined in 18 NYCRR Section 518.1, is \$48,090.86 (Attachment B).

**Do not submit claim voids or claim adjustments in response to this Final Audit Report. Repayment instructions are outlined on the next page.**

If you wish to enter into a repayment agreement, please contact the Bureau of Collections Management within 20 days, by telephone or email, as provided above.

Should you fail to select a payment option above within 20 days of the date of this Report, OMIG will initiate recoupment by withholding all or a part of your payments otherwise payable, in accordance with 18 NYCRR 518.6. Additionally, OMIG reserves the right to use any remedy allowed by law to collect the amount due. Pursuant to the State Finance Law Section 18(5), a collection fee equal to twenty two percent (22%) of the amount due, including interest, may be added to the amount owed.
