RE: AUDIT SUMMATION
Provider # [REDACTED]
Audit #14-1716

Dear [REDACTED]

The New York State Department of Health (Department) is the single state agency responsible for the administration of the medical assistance (Medicaid) program. The Office of the Medicaid Inspector General (OMIG) is an independent office within the Department responsible for a variety of Medicaid program integrity functions. As part of its responsibilities, the OMIG conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of the Department of Health and the Department of Mental Hygiene (Titles 10, 14 and 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York) and the Department's Medicaid Managed Care Model Contract, Medicaid Management Information System (MMIS) Provider Manuals and *Medicaid Update* publications.

A review of payments to Rush-Henrietta Central School District (the Provider) for School Supportive Health Services Program services paid by Medicaid from January 1, 2013, through December 31, 2013, was recently completed. During the audit period, \$878,920.49 was paid for 27,465 claims reimbursed. This review consisted of a random sample of 100 claims with Medicaid payments of \$3,286.14. The purpose of the audit was to determine whether: Medicaid reimbursable services were rendered for the dates billed; appropriate rate, procedure, or formulary codes were billed for services rendered; recipient related records contained the documentation required by the regulations; and, claims for payment were submitted in accordance with regulations and the appropriate Provider Manuals. Our audit revealed that, for the period and scope reviewed, the Provider generally adhered to applicable Medicaid billing rules and regulations.

Please be advised that pursuant to 18 NYCRR 517.3(h) the OMIG hereby concludes its review related to the above-referenced audit objective and scope. The OMIG has determined that no further action is warranted. We thank you for your continued interest and participation in the Medicaid program.

The OMIG reserves the right to conduct further reviews of your participation in the Medicaid program, take action where appropriate, and recover any associated overpayments. If you have any questions regarding the above, please contact [REDACTED] or by email at [REDACTED]. Thank you for your cooperation.

Sincerely,
