Dear [REDACTED]:

IPRO has conducted an audit on behalf of the Centers for Medicare & Medicaid Services (CMS), Medicaid Integrity Program and the New York State Office of the Medicaid Inspector General. This audit examined Medicaid claims for basic life support non-emergency, advanced life support non-emergency and ground mileage ambulance services with dates of payment for the audit period of January 1, 2011 through December 31, 2013.

Based upon this audit, CMS has determined that no further action on this audit is necessary at this time. You should retain the records pertaining to the items and services that were the subject of this audit in accordance with applicable New York State (18 NYCRR Section 517.3 Audit and Record Retention) and federal laws.

You are advised that all claims that were the subject of this audit may be re-audited or re-investigated at a future date by New York State, CMS, or other state or federal agencies or authorities.

Thank you for your cooperation during this audit.

Sincerely,
