FINAL AUDIT REPORT  
Audit #2010Z09-048D  
Provider [REDACTED]

Dear Administrator:

The New York State Office of the Medicaid Inspector General (the "OMIG") completed an audit of Medicaid claims paid for Durable Medical Equipment (DME) provided to residents in skilled nursing facilities. In accordance with Section 517.5 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (18 NYCRR), this report represents the final determination on issues found during the OMIG's review.

Since you did not submit any documentation in response to the OMIG's June 21, 2010 Draft Audit Report, the findings are unchanged. A detailed Final Report, along with supporting exhibits, is appended to this notice.

Based on this determination, restitution of the overpayments as defined in 18 NYCRR 518.1 is required in the amount of \$ 2,034.49.

In accordance with 18 NYCRR Part 518 which regulates the collection of overpayments, your repayment options are described below.

**OPTION #1:** Make a full payment by check or money order within 20 days of the date of the final report. The check should be made payable to the New York State

Department of Health and be sent with the enclosed Remittance Advice form, signed and dated, to:

  
New York State Department of Health  
Medicaid Financial Management  
GNARESP Corning Tower, Room 1237  
Albany, New York 12237

**OPTION #2:** Enter into a repayment agreement with the Office of the Medicaid Inspector General. If your repayment terms exceed 90 days from the date of the final report, recoveries of amounts due are subject to interest charges at the prime rate plus 2%. If the process of establishing the repayment agreement exceeds 20 days from the date of the final report, the OMIG will impose a 15% withhold after 20 days until the agreement is established. The OMIG may require financial information from you to establish the terms of the repayment agreement. If additional information is requested, the OMIG must receive the information within 30 days of the request or a 50% withhold will be imposed. OMIG acceptance of the repayment agreement is based on your repaying the Medicaid overpayment as agreed. The OMIG will adjust the rate of recovery, or require payment in full, if your unpaid balance is not being repaid as agreed. The OMIG will notify you no later than 5 days after initiating such action.

If you wish to enter into a repayment agreement, you must forward your written request within 20 days to the following:

Collections Management Group  
New York State Office of the Medicaid Inspector General  
800 North Pearl Street  
Albany, New York 12204  

**Do not submit claim voids or adjustments in response to this Final Audit Report.**

If within 20 days you fail to make full payment or contact the OMIG to make repayment arrangements, the OMIG will establish a withhold equal to 50% of your Medicaid billings to secure payment and liquidate the overpayment amount, interest and/or penalty, not barring any other remedy allowed by law. The OMIG will provide notice to you no later than 5 days after the withholding of any funds.

In addition, if you receive an adjustment in your favor while you owe funds to the State, such adjustment will be applied against the amount owed.

The Facility has the right to challenge this action and determination by requesting an administrative hearing within sixty (60) days of the date of this notice. In accordance with 18 NYCRR Section 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. ## **BACKGROUND, PURPOSE AND SCOPE**

The New York State Department of Health (DOH) is responsible for the administration of the Medicaid program. As an independent office within DOH, the OMIG conducts audits and reviews of providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at ensuring provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth in NY Public Health Law, NY Social Services Law, regulations of the Departments of Health, [Titles 10 and 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York] and the Medicaid Provider Manuals.

Under Section 505.5(d)(1)(iii) of Title 18 of the New York Code, Rules and Regulations, the Department of Health establishes all-inclusive skilled nursing facility (SNF) rates that cover the costs of supplies and equipment provided to Medicaid recipients who are in a skilled nursing facility. Additionally, the Medicaid Provider Manual for Residential Health Services requires skilled nursing facilities to provide residents with non-prescription drugs, medical/surgical supplies, and general standard and customized medical equipment. When Medicaid pays for such DME claims for a SNF resident, it is paying twice for the same DME product: first when it pays the SNF rate and again when it pays the DME provider's separate claim. This audit identified Medicaid billings by DME providers that should have been billed to and paid by the SNF.

To accomplish this, DME claims with payment dates from January 1, 2006 through December, 31, 2008 were reviewed.

### **DETERMINATION**

In accordance with 18 NYCRR 518.4, interest may be collected on any overpayments identified in this audit and will accrue at the current rate from the preliminary determination of the overpayment. For the overpayments identified in this audit, the OMIG has determined that accrued interest totals \$ 178.29.

Based on this determination, the total amount of overpayment, as defined in 18 NYCRR 518.1(c) is \$ 2,034.49, inclusive of interest. Restitution of \$ 2,034.49 is due the New York State Department of Health.
