Re: Final Audit Report  
Audit # 13-2517  
Provider # [REDACTED]

Dear Dr. Taheri-Tafreshi:

The New York State Office of the Medicaid Inspector General (OMIG) has identified Medicaid fee-for-service dental payments that were inappropriately made for managed care enrollees; these enrollees already had dental care included in their Managed Care Organization (MCO) benefit package. In accordance with Section 517.6 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (18 NYCRR), this report represents the final determination on the issues found during the OMIG's review.

**BACKGROUND**

The New York State Department of Health (the Department) is the state agency responsible for the administration of the Medicaid program. As part of its responsibility as an entity within the Department, the OMIG conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of the Department of Health (Titles 10 and 18 of the NYCRR), the regulations of the Office of Mental Health (Title 14 of the NYCRR) and the Department's Medicaid Provider Manuals, *Medicaid Update* publications, and the Medicaid Managed Care/Family Health Plus/HIV Special Needs Plan Model Contract (Contract).

## OBJECTIVE AND SCOPE

### **Audit Objective**

The objective of this audit was to ensure that Ardeshir Taheri-Tafreshi, DDS (Provider) was in compliance with applicable Federal and State laws, regulations, rules and policies governing the New York State Medicaid Program and to verify whether dental service claims submitted were properly paid.

### **Audit Scope**

The review identified Medicaid payments made to dental providers after July 1, 2012 for services provided to individuals enrolled in a Managed Care Organization that included dental services in the scope of benefit package.

## FINDINGS

A Draft Audit Report was issued May 21, 2013 identifying \$2,595 in fee-for-service payments inappropriately made to the Provider for services covered under the managed care enrollee's benefit package with a MCO. Since no documentation or written arguments in objection to the Draft Audit Report was submitted, the findings remain unchanged. As stated in the Contract, specifically Section 3.6 (*Compensation – State Department of Health Right to Recover Premiums*) and, Appendix H, as well as 18 NYCRR Parts 517 and 518, the OMIG, on behalf of DOH, has a right to recover overpayments paid for enrollees listed on the monthly roster.

The total amount of overpayment as defined in 18 NYCRR 518.1 is \$2,595 which is due the New York State Department of Health (Attachment I).

## PAYMENT OPTIONS

In accordance with 18 NYCRR Part 518 which regulates the collection of overpayments, your repayment options are described below.

Audit Report, the OMIG will impose a 15% withhold after 20 days until the agreement is established.

The OMIG may require financial information from you to establish the terms of the repayment agreement. If additional information is requested, the OMIG must receive the information within 30 days of the request or a 50% withhold will be imposed. OMIG acceptance of the repayment agreement is based on your repaying the Medicaid overpayment as agreed. The OMIG will adjust the rate of recovery, or require payment in full, if your unpaid balance is not being repaid as agreed. The OMIG will notify you no later than 5 days after initiating such action.

If you wish to enter into a repayment agreement, you must forward your written request within 20 days to the following:

Bureau of Collections Management  
New York State Office of the Medicaid Inspector General  
800 North Pearl Street  
Albany, New York 12204

If within 20 days, you fail to make full payment or contact the OMIG to make repayment arrangements, the OMIG will establish a withhold equal to 50% of your Medicaid billings to secure payment and liquidate the overpayment amount, interest and/or penalty, not barring any other remedy allowed by law. The OMIG will provide notice to you no later than 5 days after the withholding of any funds.

In addition, if you receive an adjustment in your favor while you owe funds to the State, such adjustment will be applied against the amount owed.

### **PROVIDER RIGHTS**

The Provider has the right to challenge this action and determination by requesting an administrative hearing within sixty (60) days of the date of this notice. In accordance with 18 NYCRR Section 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action."

If the Provider wishes to request a hearing, the request must be submitted in writing to:

General Counsel
