RE: Final Report  
Provider # [REDACTED]  
Project #09-1207

Dear Mr. Calamia:

The New York State Office of the Medicaid Inspector General (the "OMIG") has reviewed the Victory Memorial Hospital (the "Facility") response to the OMIG's Draft Report related to claims for newborn birth services for the period of January 1, 2005 through December 31, 2007.

After reviewing the Facility's response to the OMIG's Draft Report, the OMIG has found no significant findings to warrant further action, and is closing the above referenced audit. As a result, no further action is required by the Facility in relation to this audit.

Thank you for your cooperation. The OMIG reserves the right to conduct further reviews of your participation in the Medicaid program, take action where appropriate, and recover monies owed.

If the Facility has any questions regarding the above, please contact Michael Piazza at (518) 408-0515 or by email at [michael.piazza@omig.ny.gov](mailto:michael.piazza@omig.ny.gov).

Sincerely,

[REDACTED]

Michael Ernst, Audit Manager
