Re: Final Audit Report
Audit # 10-7194
Provider # [REDACTED]

Dear Ms. Wang:

The New York State Office of the Medicaid Inspector General (OMIG) has identified Medicaid monthly capitation payments made to Health First PHSP, Inc. (the "Plan") that were determined to be recoverable based on the enrollee's retro disenrollment from the Plan and permanent placement into a Residential/Skilled Nursing Health Care Facility. In accordance with Section 517.6 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (18 NYCRR), this report represents the final determination on issues found during the OMIG's review.

After reviewing the plan's January 13, 2011 response to the OMIG's December 14, 2011 draft report, the findings in the final report have changed from those cited in the draft report. A detailed explanation of the OMIG's findings is included in the final report.

In accordance with 18 NYCRR Part 518 which regulates the collection of overpayments, your repayment options are described below.

OPTION #1: Make full payment by check or money order within 20 days of the date of the final report. The check should be made payable to the New York State Department of Health and be sent with the attached Remittance Advice to:

Mr. O. Donald Collins
New York State Department of Health
Medicaid Financial Management, B.A.M.
GNARESP Corning Tower, Room 1237
Albany, New York 12237-0016

OPTION #2: Enter into a repayment agreement with the Office of the Medicaid Inspector General. If your repayment terms exceed 90 days from the date of the final report, recoveries of amounts due are subject to interest charges at the prime rate plus 2%. If the process of establishing the repayment agreement exceeds 20 days from the date of the final report, the OMIG will impose a 15% withhold after 20 days until the agreement is established. The OMIG may require financial information from you to establish the terms of the repayment agreement. If additional information is requested, the OMIG must receive the information within 30 days of the request or a 50% withhold will be imposed. OMIG acceptance of the repayment agreement is based on your repaying the Medicaid overpayment as agreed. The OMIG will adjust the rate of recovery, or require payment in full, if your unpaid balance is not being repaid as agreed. The OMIG will notify you no later than 5 days after initiating such action. If you wish to enter into a repayment agreement, you must forward your written request within 20 days to the following:

Collections Management Group
New York State Office of the Medicaid Inspector General
800 North Pearl Street
Albany, New York 12204
Phone #: (518) 474-5878
Fax#: (518) 408-0593

If within 20 days you fail to make full payment or contact the OMIG to make repayment arrangements, the OMIG will establish a withhold equal to 50% of your Medicaid billings to secure payment and liquidate overpayment amount, interest and/or penalty, not barring any other remedy allowed by law. The OMIG will provide notice to you no later than 5 days after the withholding of any funds.

In addition, if you receive an adjustment in your favor while you owe funds to the State, such adjustment will be applied against the amount owed.

The Plan has the right to challenge this action and determination by requesting an administrative hearing within sixty (60) days of the date of this notice. In accordance with 18 NYCRR Section 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not considered by the department upon submission of objections to a draft audit or notice of proposed agency action."

If the Plan wishes to request a hearing, the request must be submitted in writing to:

General Counsel
Office of Counsel
New York State Office of the Medicaid Inspector General
800 North Pearl Street
Albany, New York 12204

If a hearing is held, the Plan may have a person represent the Plan or the Plan may represent itself. If the Plan chooses to be represented by someone other than an attorney, the Plan must supply along with the Plan's hearing request a signed authorization permitting that person to represent the Plan. At the hearing, the Plan may call witnesses and present documentary evidence on the Plan's behalf.

OFFICE OF THE MEDICAID INSPECTOR GENERAL

www.omig.ny.gov

The mission of the Office of the Medicaid Inspector General (OMIG), as mandated by New York Public Health Law § 31 is to preserve the integrity of the New York State Medicaid program by preventing and detecting fraudulent, abusive and wasteful practices within the Medicaid program and recovering improperly expended Medicaid funds.

DIVISION OF MEDICAID AUDIT

The Division of Medicaid Audit professional staff conducts audits and reviews of Medicaid providers to ensure compliance and program requirements and, where necessary, to recover overpayments. These activities are done to monitor the cost-effective delivery of Medicaid services for prudent stewardship of scarce dollars; to ensure the required involvement of professionals in planning care to program beneficiaries; safeguard the quality of care, medical necessity and appropriateness of Medicaid services provided; and, to reduce the potential for fraud, waste and abuse.

DIVISION OF MEDICAID INVESTIGATIONS

The Division of Medicaid Investigations (DMI) investigates potential instances of fraud, waste, and abuse in the Medicaid program. DMI deters improper behavior by inserting covert and overt investigators into all aspects of the program, scrutinizing provider billing and services, and cooperating with other agencies to enhance enforcement opportunities. Disreputable providers are removed from the program or prevented from enrolling. Recipients abusing the system are not removed from this safety net, but their access to services is examined and restricted, as appropriate. DMI maximizes cost savings, recoveries, penalties, and improves the quality of care for the state's most vulnerable population.

DIVISION OF TECHNOLOGY AND BUSINESS AUTOMATION

The Division of Technology and Business Automation will continue to support the data needs for the OMIG in the form of audit and investigative support, data mining and analysis, system match and recovery, through the use of commercial data mining products and procurement of expert service consultants.

OFFICE OF COUNSEL TO THE MEDICAID INSPECTOR GENERAL

The Office of Counsel to the Medicaid Inspector General promotes the OMIG's overall statutory mission through timely, accurate and persuasive legal advocacy and counsel.

BACKGROUND

Pursuant to Title XIX of the Social Security Act, the Medicaid program provides medical assistance to low-income individuals and individuals with disabilities. The federal and state governments jointly fund and administer the Medicaid program. In New York State, the Department of Health administers the Medicaid program. As part of this responsibility, the OMIG conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at ensuring provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth by the Departments of Health and Mental Hygiene [Titles 10, 14 and 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York] and the Medicaid Provider Manuals.

As per the Medicaid Managed Care and Family Health Plus Contract, Section 3.6 (Compensation – State Department of Health Right to Recover Premiums) and Appendix H, the OMIG has the right to recover premiums paid to the Contractor for enrollees listed on the monthly roster who are later determined to have been ineligible for the entire applicable payment month.

PURPOSE AND SCOPE

The purpose of the audit was to identify instances where the Plan received a capitation payment from Medicaid and the enrollee was retroactively disenrolled for the entire payment month following permanent placement in a Residential/Skilled Nursing Health Care Facility. The audit period includes dates of service for the four year period ending December 31, 2009.

FINDINGS

The audit found that \$195,130.70 in capitation payments were paid to the Plan and not subsequently returned to Medicaid following the enrollee's retroactive disenrollment from the Plan due to placement in a residential/skilled nursing health care facility (Attachment I). As a result of documentation submitted by the Plan, one claim in the amount of \$2,654.00 has been removed from the audit as paid appropriate (Attachment II). Due to the deletion of this claim, the final amount due is \$ 192,476.70 (Attachment III). As stated in the Medicaid Managed Care and Family Health Plus Contract, Section 3.6 (Compensation – State Department of Health Right to Recover Premiums) and Appendix H, the OMIG has a right to recover premiums paid to the Contractor for enrollees listed on the monthly roster who are later determined to have been ineligible for the entire applicable payment month.

As a result, the total amount of overpayment, as defined in 18 NYCRR § 518.1, is \$ 192,476.70 (Attachment III) and is due the New York State Department of Health.
