FINAL AUDIT REPORT
Audit #2011Z47-046S
Provider [REDACTED]

Dear Provider:

The New York State Office of the Medicaid Inspector General (the "OMIG") completed an audit of certain Medicaid fee-for-service home care service claims paid for Assisted Living Program (ALP) recipients. In accordance with Section 517.6 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (18 NYCRR), this report represents the final determination on issues found during the OMIG's review.

Since you did not submit any documentation in response to the OMIG's January 26, 2012 Draft Audit Report, the overpayments are unchanged. A detailed Final Report, along with supporting exhibits, is appended to this notice.

Based on this determination, restitution of the overpayments as defined in 18 NYCRR 518.1 is required in the amount of \$ 1,157.56, inclusive of interest.

In accordance with 18 NYCRR Part 518 which regulates the collection of overpayments, your repayment options are described below.

OPTION #1: Make a full payment by check or money order within 20 days of the date of the final report. The check should be made payable to the New York State Department of Health and be sent with the enclosed Remittance Advice form, signed and dated, to:

[REDACTED]
New York State Department of Health
Medicaid Financial Management
GNARESP Corning Tower, Room 1237
Albany, New York 12237

OPTION #2: Enter into a repayment agreement with the Office of the Medicaid Inspector General to have the overpayments applied against your future Medicaid payments. If your repayment terms exceed 90 days from the date of the final report, recoveries of amounts due are subject to interest charges at the prime rate plus 2%. If the process of establishing the repayment agreement exceeds 20 days from the date of the final report, the OMIG will impose a 15% withhold after 20 days until the agreement is established. The OMIG may require financial information from you to establish the terms of the repayment agreement. If additional information is requested, the OMIG must receive the information within 30 days of the request or a 50% withhold will be imposed. OMIG acceptance of the repayment agreement is based on your repaying the Medicaid overpayment as agreed. The OMIG will adjust the rate of recovery, or require payment in full, if your unpaid balance is not being repaid as agreed. The OMIG will notify you no later than 5 days after initiating such action.

If you wish to enter into a repayment agreement, you must forward your written request within 20 days to the following:

Collections Management Group
New York State Office of the Medicaid Inspector General
800 North Pearl Street
Albany, New York 12204
[REDACTED]

Do not submit claim voids or adjustments in response to this Final Report.

If within 20 days you fail to make full payment or contact the OMIG to make repayment arrangements, the OMIG will establish a withhold equal to 50% of your Medicaid billings to secure payment and liquidate the overpayment amount, interest and/or penalty, not barring any other remedy allowed by law. The OMIG will provide notice to you no later than 5 days after the withholding of any funds.

In addition, if you receive an adjustment in your favor while you owe funds to the State, such adjustment will be applied against the amount owed.

You have the right to challenge this action and determination by requesting an administrative hearing within sixty (60) days of the date of this notice. In accordance with 18 NYCRR Section 519.18(a), "The issues and documentation considered at the hearing are limited to issues directly relating to the final determination. An appellant may not raise issues regarding the methodology used to determine any rate of payment or fee, nor raise any new matter not

considered by the department upon submission of objections to a draft audit or notice of proposed agency action.”

If you wish to request a hearing, the request must be submitted in writing to:

General Counsel
Division of Counsel
New York State Office of the Medicaid Inspector General
800 North Pearl Street
Albany, New York 12204

If a hearing is held, you may have a person represent you or you may represent yourself. If you choose to be represented by someone other than an attorney, you must supply along with your hearing request a signed authorization permitting that person to represent you. At the hearing, you may call witnesses and present documentary evidence on your behalf.

BACKGROUND, PURPOSE AND SCOPE

The New York State Department of Health (DOH) is responsible for the administration of the Medicaid program. As an independent office within DOH, the OMIG conducts audits and reviews of providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at ensuring provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth in New York State Public Health Law, New York State Social Services Law, regulations of the Departments of Health and Social Services, [Titles 10 and 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York] and the eMedNY Provider Manuals.

The Assisted Living Program (ALP) operates in adult homes and enriched housing programs and provides a combination of residential services and home care services to Medicaid and private pay residents. For each Medicaid enrollee participating in the ALP, a daily rate is paid to the ALP for the provision of nine distinct home care services. No additional fee-for-service billing can be made for these home care services.

This audit identified potential Medicaid overpayments made for home care services provided to Medicaid patients, who on the same date as these home care services were rendered, were participating in the ALP. The services identified are included in the ALP daily Medicaid rate and should not have been billed fee-for-service.

To accomplish this, ALP home care service claims with payment dates from January 1, 2007 through December 31, 2010 were reviewed.

Please note that due to the implementation of the National Provider Identifier (NPI) on September 1, 2008, there may be multiple Provider Identification Numbers associated with the Primary Provider Identification Number. The NPI is linked to the Primary Provider Identification Number. The Primary Provider Identification Number is used for correspondence and recoupment.
