Re: Final Audit Report
Audit #: 13-6329
Provider ID #: [REDACTED]

Dear [REDACTED]

The New York State Office of the Medicaid Inspector General (OMIG) has identified Medicaid and Family Health Plus supplemental newborn or maternity capitation payments made to Blue Choice/Blue Choice Option (Plan) where there was no corresponding hospital birth or delivery encounter data submitted. In accordance with Section 517.6 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (18 NYCRR), this report represents the final determination on the issues found during the OMIG's review.

After reviewing the Plan's February 4, 2014 response to the OMIG's January 27, 2014 Revised Draft Audit Report, as well as any information/documentation submitted, the OMIG has considered the documentation and the report has been revised accordingly. Consideration of the documentation resulted in an overall reduction of \$23,091.69 to the total Medicaid overpayment shown in the Revised Draft Audit Report. A detailed explanation can be found in the Findings section.

BACKGROUND, PURPOSE AND SCOPE

The New York State Department of Health (the Department) is responsible for the administration of the Medicaid program. As part of its responsibility as an entity within the Department, the OMIG conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law,

the regulations of the Department (Titles 10 and 18 of NYCRR), the regulations of the Office of Mental Health (Title 14 of the NYCRR), and the Department's Medicaid Provider Manuals, *Medicaid Update* publications and Medicaid Managed Care and/or Family Health Plus/HIV Special Needs Plan Model Contract (Contract).

The purpose of the audit was to identify instances where the Plan received a supplemental newborn and/or maternity capitation payment from Medicaid where no corresponding encounter data was reported by the Plan for the services. The audit identified instances where the Plan failed to maintain and provide documentation to support the billing of supplemental newborn and maternity capitation payments. The scope of the audit included supplemental newborn and maternity capitation payments with dates of services from January 1, 2012 through December 31, 2012.

Sections 3.9 and 3.10 of the Contract provide for a supplemental newborn or maternity capitation payment to a managed care organization (MCO) where applicable. The MCO must first make payment to the hospital for the birth or delivery before billing Medicaid for the supplemental payment, and maintain on file evidence of the payment. Section 18.5 (a)(iv) of the Contract, *Reporting Requirements for Encounter Data*, also requires the MCO to prepare and submit encounter data on a monthly basis to the Department. Pursuant to 3.9(d) and 3.10(f) of the Contract, "Failure to have supporting records may, upon audit, result in recoupment of the supplemental maternity or newborn capitation payment by the Department."

FINDINGS

A Revised Draft Audit Report was issued January 27, 2014 identifying \$32,675.41 in inappropriately billed claims for supplemental maternity or newborn capitation payments wherein the Plan failed to submit encounter data. In response to the Revised Draft Audit Report the Plan submitted documentation contesting a portion of the claims (Attachment I). Upon reviewing the documentation, the OMIG agreed to reduce the overpayments in the Revised Draft Audit Report by \$23,091.69 (Attachment II) resulting in an overpayment of \$9,583.72 (Attachment III).

In accordance with 18 NYCRR Parts 517 and 518 and pursuant to the Contract, specifically Section 3.6 and Appendix H, the OMIG, on behalf of the Department, has the right to recover premiums paid to the Plan for enrollees listed on the monthly roster who are later determined to have been ineligible for the entire applicable payment month.

In accordance with 18 NYCRR 518.4, interest may be collected on any overpayments identified in this audit and will accrue at the current rate from the date of the overpayment. Interest was calculated on the overpayments identified in the Final Audit Report using the Federal Reserve Prime rate (3.25%) from the date of each overpayment through November 15, 2013. As a result, for the overpayments identified in this audit, the OMIG has determined that accrued interest of \$322.32 is owed (Attachment III).

The total amount of overpayment, inclusive of interest, as defined in 18 NYCRR §518.1(c) is \$9,906.04. Subsequent to the issuance of the Revised Draft Audit Report, the Plan voided claims in the amount of \$6,893.93. Therefore, \$3,012.11 is due the New York State Department of Health (Attachment III).
