Final Audit Report

Audit #09-5097

Provider ID [REDACTED]

Dear [REDACTED]:

This letter will serve as our final audit report of the recently completed review of payments made to Agra Pharmacy, Inc. under the New York State Medicaid Program.

The New York State Department of Health is responsible for the administration of the Medicaid program. As part of this responsibility, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules and policies of the Medicaid program as set forth by the Departments of Health and Education [Titles 8, 10, and 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (8 NYCRR, 10 NYCRR, 18 NYCRR)] and the Medicaid Management Information System (MMIS) Provider Manuals.

Pharmacy is a professional practice, which includes a number of activities that are necessary for the provision of drugs for patients as ordered by persons authorized under State law to prescribe drugs. Pharmacies, which are licensed and currently registered by the New York State Board of Pharmacy, Department of Education, may dispense drugs and other medical/surgical supplies. The pharmacy must comply with all applicable provisions of State Law including Article 137 of the Education Law, Articles 1 and 33 of the Public Health Law, and the Pharmacy Guide to Practice (Pharmacy Handbook) issued by the Department of Education. The specific standards and criteria for pharmacies are outlined in Title 10 NYCRR Parts 80 and 85.20-22 and Title 18 NYCRR Section 505.3. The MMIS Provider Manual for Pharmacy also provides program guidance for claiming Medicaid reimbursement for pharmacy services.

A review of payments to Agra Pharmacy, Inc. for pharmacy services paid by Medicaid for New York City recipients from January 1, 2004, through December 31, 2008, was recently completed. During the audit period, \$4,978,455.35 was paid for 49,761 services rendered. This review consisted of a random sample of 200 services with Medicaid payments of \$17,711.20. The purpose of this audit was to verify that: prescriptions were properly ordered by a qualified practitioner; the pharmacy had sufficient documentation to substantiate billed services; appropriate formulary codes were billed; patient related records contained the documentation required by the regulations; and claims for payment were submitted in accordance with New York State laws, Department regulations and the Provider Manuals for Pharmacy.

Agra Pharmacy Inc.'s failure to comply with Titles 8, 10, and/or 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (NYCRR), the MMS Provider Manual for Pharmacy, and the Pharmacy Guide to Practice resulted in a total sample overpayment of \$1,690.66.

The statistical sampling methodology employed allows for extrapolation of the sample findings to the universe of cases (18 NYCRR Section 519.18). The adjusted mean per unit point estimate of the amount overpaid is \$105,367. The adjusted lower confidence limit of the amount overpaid is \$17,283. We are 95% certain that the actual amount of the overpayment is greater than the adjusted lower confidence limit (Exhibit I). This audit may be settled through repayment of the adjusted lower confidence limit amount of \$17,283.

The following detailed findings reflect the results of our audit. This audit report incorporates consideration of any additional documentation and information presented in response to the revised draft audit report dated June 20, 2013. The attached Bridge Schedule indicates any changes to the findings as a result of your response.

1. Ordering Prescriber Conflicts with Claim Prescriber

Regulations state: "By enrolling the provider agrees...to submit claims on officially authorized claim forms in the manner specified by the department in conformance with the standards and procedures for claims submission" and "that the information provided in relation to any claim for payment shall be true, accurate and complete."

18 NYCRR Sections 504.3(f) and (h)

Regulations state: "The identity of the practitioner who ordered the . . . medical/surgical supply, . . . must be recorded by the provider on the claim for payment by entering in the license or MMIS provider identification number of the practitioner where indicated."

18 NYCRR Section 505.5(c)(1)

Medicaid policy requires the billing provider to complete the ordering/prescribing provider section of the claim for prescriptions from private practitioners by entering the "MMIS ID Number of the prescriber. If the prescriber is not enrolled in MMIS, enter his/her State License number . . . For orders originating in a hospital, clinic or other health care facility, the facility's MMIS ID Number may be entered only when the prescriber's MMIS ID or State License number is unavailable. When a prescription is written by an unlicensed intern or resident, the supervising physician's MMIS ID Number should be entered. If the supervising physician is not

enrolled in MMIS, his/her State License number may be entered. When these numbers are unavailable, enter the facility's MMIS ID Number . . . When prescriptions have been written by a physician's assistant, the supervising physician's MMIS ID Number should be entered. If the supervisor is not enrolled in MMIS, enter his/her State License number. If these numbers are unavailable and the prescription originated in a facility, enter the facility's MMIS ID Number . . . If the MMIS ID or State License number is not on the prescription . . . it is the pharmacist's responsibility to obtain it."

MMIS Provider Manual for Pharmacy Version 2004-1, Section 3

Medicaid policy requires the billing provider to enter the Medicaid ID Number of the ordering/prescribing provider or, if the ordering prescriber is not enrolled in the Medicaid Program, to enter his/her license number. The supervising MD's MMIS or license number should be entered for an unlicensed intern or resident for a prescription from a facility, and the facility's Medicaid ID number may be entered **only** when the prescriber's or supervising physician's Medicaid ID or License number is unavailable. When prescriptions have been written by a Physician's Assistant, the supervising physician's Medicaid ID number or license number should be entered. [There is no provision here for entering facility MMIS ID number in absence of the supervising MD number for a prescription written by a Physician's Assistant.] If the prescribing provider is a Nurse Practitioner certified to write prescriptions, enter his/her Medicaid ID number or license number in this field. **Note: If the Medicaid ID or State License number of an authorized prescriber is not on the prescription, it is the pharmacist's responsibility to obtain it.**

In addition, if a license number is indicated, the Profession Code that identifies the ordering/prescribing provider's profession must be entered. Directions are given to obtain profession codes.

Additional reasons for disallowance exist regarding certain findings. These findings are identified in Exhibit XII.

In accordance with 18 NYCRR Part 518 which regulates the collection of overpayments, your repayment options are described below. If you decide to repay the adjusted lower confidence limit amount of \$17,283, one of the following repayment options must be selected within 20 days from the date of this letter:

OPTION #1: Make full payment by check or money order within 20 days of the date of the final audit report. The check should be made payable to the New York State Department of Health and be sent with the attached Remittance Advice to:

[REDACTED]
 New York State Department of Health
 Medicaid Financial Management, B.A.M.
 GNARESP Corning Tower, Room 2739
 Albany, New York 12237-0048

OPTION #2: Enter into a repayment agreement with the Office of the Medicaid Inspector General. If your repayment terms exceed 90 days from the date of the final audit report, recoveries of amounts due are subject to interest charges at the prime rate plus 2%. If the process of establishing the repayment agreement exceeds 20 days from the date of the final audit report, the OMIG will impose a 15% withhold after 20 days until the agreement is established.

Furthermore, the OMIG may require financial information from you to establish the terms of the repayment agreement. If additional information is requested, the OMIG must receive the information within 30 days of the request or a 50% withhold will be imposed. OMIG acceptance of the repayment agreement is based on your repaying the Medicaid overpayment as agreed. The OMIG will adjust the rate of recovery, or require payment in full, if your unpaid balance is not being repaid as agreed. The OMIG will notify you no later than 5 days after initiating such action. If you wish to enter into a repayment agreement, you must forward your written request within 20 days to the following:

Bureau of Collections Management
 New York State Office of the Medicaid Inspector General
 800 North Pearl Street
 Albany, New York 12204

If within 20 days, you fail to make full payment or contact the OMIG to make repayment arrangements, the OMIG will establish a withhold equal to 50% of your Medicaid billings to recover payment and liquidate the adjusted lower confidence limit amount, interest and/or penalty, not barring any other remedy allowed by law. The OMIG will provide notice to you no later than 5 days after the withholding of any funds. In addition, if you receive an adjustment in your favor while you owe funds to the State, such adjustment will be applied against the amount owed.

If you choose not to settle this audit through repayment of the adjusted lower confidence limit, you have the right to challenge these findings by requesting an administrative hearing where the OMIG would seek and defend the adjusted meanpoint estimate of \$105,367. As allowed by state regulations, you must make your request for a hearing, in writing, within sixty (60) days of the date of this report to:

General Counsel
 Office of Counsel
 New York State Office of the Medicaid Inspector General
 800 North Pearl Street
 Albany, New York 12204

Questions regarding the request for a hearing should be directed to Office of Counsel at [REDACTED]

Issues you may raise shall be limited to those issues relating to determinations contained in the final audit report. Your hearing request may not address issues regarding the methodology used to determine the rate, or any issue that was raised at a proceeding to appeal a rate determination.

At the hearing you have the right to:

- a) be represented by an attorney or other representative, or to represent yourself;
- b) present witnesses and written and/or oral evidence to explain why the action taken is wrong; and
- c) cross examine witnesses of the Department of Health and/or the OMIG.

The OMIG reserves the right to conduct further reviews of your participation in the Medicaid Program, take action where appropriate, and recover monies owed through the initiation of a civil lawsuit or other legal mechanisms including but not limited to the recovery of state tax refunds pursuant to Section 206 of the Public Health Law and Section 171-f of the State Tax Law.
