FINAL AUDIT REPORT  
Audit #14-2985  
Provider [REDACTED]

Dear [REDACTED]

The New York State Office of the Medicaid Inspector General (the "OMIG") performed an audit of multiple Medicaid Speech Evaluation claims for Medicaid students between August 28, 2012 and April 14, 2013. Your County billed the Medicaid program for 27 speech evaluations in an 8 month period for 10 children. In accordance with Section 517.5 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (18 NYCRR), this report represents the final determination on issues found during the OMIG's review.

After reviewing your response to the OMIG's May 20, 2014 Draft Audit Report, the Draft Audit Report overpayments of \$3,319.38 is reduced to \$1,908.48 in the Final Audit Report. A detailed explanation of the revision is included in the Final Audit Report.

Based on this determination, restitution of the overpayments as defined in 18 NYCRR Section 518.1 is required in the amount of \$1,908.48.

## BACKGROUND

Pursuant to Title XIX of the Social Security Act, the Medicaid program provides medical assistance to low-income individuals and individuals with disabilities. The federal and state governments jointly fund and administer the Medicaid program. In New York State, the Department of Health (DOH) administers the Medicaid program. As part of this responsibility, the OMIG conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are conducted to determine if the provider complied with applicable laws, regulations, rules and policies of the Medicaid program as set forth by the Departments of Health and Mental Hygiene [Titles 10, 14 and 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York] and the Medicaid Provider Manuals.

Reimbursement under the Medicaid program is available under the School Supportive Health Services Program and Preschool Supportive Health Services Program (SSHSP and PSHSP) for certain diagnostic and health support services provided to students with, or suspected of having disabilities. SSHSP applies to the 5-21 year old population and PSHSP applies to the 3-4 year old population pursuant to §4410 of the Education Law. In 1988, Section 1903 of subdivision (c), of the Social Security Act (SSA) was added by §411(k)(13)(A) of the Medicare Catastrophic Act of 1988 (PL 100-360), to clarify Congressional intent by stating that nothing in Title XIX of the SSA shall preclude Medicaid coverage of services included in a disabled student's Individualized Education Program (IEP). New York State implemented the Federal law in 1989 by amending Section 368 (d) and (e) of Chapter 558 of the Social Services Laws to authorize payment of medical assistance funds for PSHSP and SSHSP services.

## **PURPOSE AND SCOPE**

The purpose of this audit was to determine whether the Provider's claims for Medicaid reimbursement for Preschool Supportive Health Services complied with applicable federal and state laws, regulations, rules and policies governing the New York State Medicaid Program. With respect to Preschool Supportive Health Services, this audit covered services paid by Medicaid from August 28, 2012, through April 14, 2013.
